NEWLY-IMPORTED SHORTHORNS.

Mr. H. J. Davis, the well-known importer and breeder of Scotch Shorthorn cattle, of Woodstock, Ont., has lately landed at his farm from quarantine four exceptionally nice young bulls, of a type, quality and breeding calculated to further enhance his reputation as an importer of the right good kind. They are: Count Beauty, a red-roan, 11 months old, of the favorite Kilblean Beauty tribe, and sired by Joachim; dam by Lovat's Chief. He is an exceptionally straight young bull, and gives promise of developing into a right good one. Beauty Chief is 10 months old, by the same sire; dam a Kilblean Beauty, by Red Rover. This youngster looks like a coming show bull, and should he get into good hands will be heard from. Diabolo is a red yearling Brawith Bud, by the Blythstone bull, Diamond King. This is one of Mr. Gordon's breeding, and is something extra, even, thick, mellow, and with splendid lines. Best Boy is a roan, 11 months old, of the favorite Bessie strain, and sired by the Duchess of Gloster bred bull, Duke of Gordon. Here is certainly one of the best young bulls imported of late years, and should soon be picked up, as no fancy prices are asked for any of them. In home-bred bulls there are only two left—one 11 months old, a Mina, the other a yearling, of the noted Village tribe, and sired by the stock bull, Westward Ho (imp.), the Missie-bred son of Merry Morning. Westward Ho is proving a sire of more than ordinary merit, his get showing a remarkable uniformity of type. Many of the breeding females are imported, representing the C. Butterfly, Collynie Rosebud, Rosetta, Duchess, Red Lady, Broadhooks, Jilt and Marr Beauty families. In young females there are fifteen one- and two-year-old heifers, the get of the stock bull, Protector (imp.), Bapton Chancellor (imp.), Queen's Counsellor (imp.), Deeside Chief (imp.), and Nonpareil Chief (imp.). Many of them are also out of imported dams, the whole making a choice collection of richly-bred heifers. Mr. Davis is also still strong in Yorkshire swine. Nearly all his breeding stock is imported, personally selected, with the double object of ideal type and easy feeding. On hand are both sexes, of almost any age. The farm is connected with long-distance Bell 'phone, thus enabling customers from a distance to get in touch with Mr. Davis in a few minutes at any time.

SATISFIED WITH REMEDY.—Writing to W. F. Young, P.D.F., J. N. Young, Victor, N.Y., says, under date of September 1st, 1908: "I procured the Absorbine, and after using it as directed for a period of five days, my horse was entirely cured of lameness. Have used it two or three times a day since, using clear stuff and bandage, but not the wash. At any price am satisfied with your remedy, and thankful to see him go without the limp." Absorbine is mild in its action and positive in its results; it does not blister or remove the hair! An advertisement of Absorbine appears on another page.

BE A FREE MAN!

Arouse Yourself

Feel the Spark of
Life in Your Nerves,
Recover the Vigor
You Have Lost.

If you are a man whose youthful vitality has been wasted by indiscretions, excesses or overwork, I want to assure you that there is a positive remedy for your trouble. If your condition is that of exhaustion or feebleness, the very element which you have wasted, viz., human electricity, can be put back into your body. When you get it back your weakness will disappear, and you will become strong in nerve, brain, muscle, and every organ, and filled with joy that you are once more a perfect specimen of manhood. DR. McLAUGHLIN'S ELECTRIC BELT will fill your system with the power you have lost. It does this in a gentle, glowing, soothing way while you sleep. You get up in the morning refreshed, all aches and pains disappear, and you feel strong enough to attempt and accomplish what any other man can or may. It makes you feel like a new man, because it restores and develops the vigor originally given to men by nature.

Pick out the men who have worn my Belt. See them with head erect, chest expanded, the glow of health in their cheeks, courage in their hearts, and a clasp of the hand that tells you "I am the man."

Dear Sir,—Your Belt is all you recommend it to be. It has completely cured me of my trouble, and I feel like a new man. Your Belt is the best remedy on the market for all pains in the back, and I would not be without it. Wishing you every success, I remain,

FRANK VINALL, Hespeler, Ont.

Dear Sir,—I am feeling fine; thanks to your Belt. I never felt better in my life, and will have great pleasure in recommending your Belt to any one who should wish to know how good it is.

JOSEPH RUDDY,

501 St. James Street, London, Ont.

Dear Sir,—When I began wearing your Belt I had been suffering from articular rheumatism for fifteen years, and was so badly affected that I had to use a cane to get around. I am pleased to say that your Belt has completely cured me without a drop of medicine of any kind, and I have recovered the use of my limbs, and can walk and run as well as ever I could in my life. I will be only too pleased to give any one the particulars of my case, which are well known in my part of the country, where I have been in a public position since boyhood, and am well known.

JAS. W. AINSLIE,

Drumbo, Ont.

The reason so many men neglect to use my Belt is that they fear it will fail, like other things they have tried. Now, the security that I offer to the doubtful man is that he need not pay for my Belt until it does for him what I say it will do, if he will in turn give me reasonable security that he will pay me when cured. Put aside these testimonials. Don't make any difference whether you know that Dr. McLaughlin's Electric Belt cured them or not. Give me reasonable security. I will arrange the Belt and send it to you, and you can

PAY WHEN CURED.

Give me a man who is thin, puny and unnourished in appearance, and I will pour this electric Life into his body every night for three months, with proper exercise to draw it into his muscles and tissues, and I will add twenty-five pounds to his weight, remove every evidence of his weakness, and restore his strength. Look at the men who have worn my Belt, and you will see men of force, men of power and confidence, men who respect themselves and are respected by their fellow men.
