

SACRED HEART ACADEMY, LONDON ANNUAL COMMENCEMENTS

The distribution of prizes at the Commencement of the Sacred Heart took place on Friday, the fourteenth of June, in the presence of His Lordship Bishop Fallon and a number of the priests of the diocese.

The pupils presented a very enjoyable entertainment which consisted of both musical and recitative numbers.

The valedictory was read by Miss Florence Manley, the successful young graduate of this year on whom were conferred the highest literary honors of the Academy.

Miss Dorothy Mulhern recited a very charming extract from German lore, and Miss Geraldine Fitzgerald, Miss Katharine Schultz and Miss Madeleine Houston gave in dialogue a scene from the French Polyeucte.

The Junior School sang a farewell song to His Lordship and gave also a dialogue called "The Twentieth Century Observation Club."

"Tonyson's" Blow, Trumpet, Blow, and "A Dream of Paradise" were sung by the older girls.

Needless to say the entire programme was an exhibition of talent and grace of bearing and manner. The pupils conducted themselves in a way that characterized pupils of the Sacred Heart and each number was in itself a perfect act.

His Lordship spoke to the pupils, and wished them all a happy summer, and urged them to put into practice the many lessons that during the year had been taught them by the Religions.

He begged them to be a joy and comfort to their parents from whom they had been separated during the past year. He spoke particularly to the pupils who would go home and not return when the school re-opened in the autumn, and asked them to remember the training of the Religions, their ceaseless and patient work to make their true children of the Sacred Heart.

The following is the list of prizes: HONORARY DISTINCTIONS The second medalion and the second ribbon of merit have been awarded by the votes of the pupils, assisted by those of the Religions, to Miss Florence Manley.

THIS MONEY-MAKING BOOK IS FREE Tells of an Investment Safer and More Profitable than Bank or Railroad Stock

Endorsed by Leading Bankers Government Officials and Catholic Hierarchy and Laity

A valuable book of interest to and for circulation only among Catholics has just been issued, and will be sent free and postpaid to any reader of The Catholic Record who has \$20 or more to invest.

The book tells of a line of business that has and is paying enormous dividends, and which is being supported by Catholics to the extent of \$75,000,000 a year. It contains most complete facts and figures relating to this particular business and the astonishing dividends paid stockholders. It shows how Catholics may, for the first time, now become stockholders and receive their share of the profits of this great business. The stock of old-established companies in this line is worth ten to twenty times par value, and original investors are receiving 100 per cent dividends.

This is not a get-rich-quick scheme, but a high-class, legitimate business enterprise, endorsed by leading banks and the Catholic hierarchy and laity. This is the opportunity of a lifetime to make a safe and profitable investment and watch the attention and investigation of every conservative investor.

If you would like to have a copy of this book, address Philip Harding, Dept. H604, Box 1301, Philadelphia, Pa. Mr. Harding requests that no one write simply through idle curiosity, and unless you are a member of the Catholic Church the book will be of no interest to you, because only Catholics will be permitted to hold stock in this particular institution.
