We miss her blithe and airy form, At its accustomed place, We miss her merry ringing laugh, Her bright and beaming eye, Alas, that one so young and fair, And beautiful, must die.

I seem to see her even now, As still in death she lay; I thought that I had never seen, So fair a piece of clay, But, ah, I knew that bitter tears For her were vainly shed, That hearts were breaking all the while,

Because the loved was dead, Beneath the damp cold burial sod We laid her down to rest, Prie as the white Gazenta flowers. Which lay upon her breast, But she is happier, happier far,

Than mortal tongue can tell, For she hath gone with white-robed saints And angels bright to dwell. Within her Father's house on high

Where safe from sin and death she dwells. Arrayed in robes of white; Softly she treads the golden streets With all the angelic throng, Joining with ransomed ones to sing,

She claims a mansion bright:

The new immortal song. A little while she lingered here Beside the household hearth; But, ab, too beautiful was she. Too fair and frail for earth : And so her Father caught her up To yonder blissful sphere, Where sighs of sorrow never come

Nor falls the burning tear. -Then sorrowing mother look above Where sainted Emma stands : A crown she bears upon her head A barp within her bands : A little while if faithful to

The grace that God hath given, Ye too shall bid this world farewell, And go to live in heaven. East Branch Nov. 30th 1863.

Will's first Speech.

"Hurrah!" cried William Lawrence, rushing into the house like a hurricane. 'I'm on the affirmative? The boys are all as mad as March hares about it, I can tell you!" Why, what for P' said Rose, cooly, as she con-

tinued to paste her scrap-book. / "What for I echoed Will, with a look of an o'der brother who pities a sister's ignorance.

"Why, to think I'm put on the question instead of one of the rest! There hasn't a boy in our of one of the rest! There hasn't a boy in our class spoke in the Lyceum yet,' added he, jerking his sister's elbow by way of pointing the re mark. 'I suppose that you know that, don't cause it was a great deal more natural, and not

'I know you don't talk grammar,' returned Rose, 'and I know you have made me drop a great blot of paste on my book. See there !' Well, don't fuss! Just reach me the big dictionary, won't you? I'm going to read up from the foundation of the world down to the battle of Island Number Ten. Where's Plutarch's

Of course not, child. Question reads:

Lyceum paper; but what do you known about logic? Now, you see, this sort of thing just suits my turn of mind, Rose. I'm going off into the library, and don't you let any one disturb me till supper time. I shall write like a telement of from the stems, loosely thrown graph, for my mind is in the potential mood, graph, for my mind is in the potential mood, graph, for my mind is in the potential mood, graph, for my mind is in the potential mood, graph for my mind is in the potential mood, graph for my mind is in the potential mood, graph for my mind is in the potential mood, graph for my mind is in the potential mood, graph for my mind is in the potential mood, graph for my mind is in the potential mood, graph for my mind is in the potential mood, graph for my mind is in the potential mood, graph for my mind is in the potential mood, graph for my mind is in the potential mood, graph for my mind is in the potential mood, graph for my mind is in the potential mood, graph for my mind is in the potential mood, graph for my mind is in the potential mood, graph for my mind is in the potential mood in the canonage neads in good continue. United States, the two agreed beforehand that they would not take wine at the table. When, however, it was offered, his friend had not the courage to refuse; but Mr. Briggs stood firm, politically declining the honor. His practice was, when the servant attempted to pour the wine. to

Agriculture.

How to Winter Cabbages. Lay down poles or rails in pairs, on high dry f Island Number Ten. Where's Plutarch's lay down poles or rails in pairs, on high dry ground, or on a ridge sufficiently raised to avoid self pressed to observe the common practice of water. Set arow of cabbages near together along water before dinner, he at each pair of rails, the heads downward. Spread a little straw over the heads, not under them, *Of course not, child. Question reads:—

*Resolved, That the fear of punishment has a better effect on mankind than the bope of reward." I argue that it has. I think exactly the ward. I think exactly the ward. I think exactly the ward. I argue that it has. I think exactly the ward. I argue that it has a little straw over the heads, not under them, and under them, and put on a covering of earth pointed up well all use of intoxicating drinks, and stood forth an open advocate of total abstinence. Nor did he ward. I think exactly the when there is a sufficient coat of earth to shed off rain. The roots need not be covered. A little freezing of the cabbages does not hurt them when there is a sufficient coat of earth pointed up well all use of intoxicating drinks, and stood forth an open advocate of total abstinence. Nor did he shrink from carrying his principles into public or the remounced for ever all use of intoxicating drinks, and stood forth an open advocate of total abstinence. Nor did he shrink from carrying his principles into public or the remounced for ever all use of intoxicating drinks, and stood forth an open advocate of total abstinence. Nor did he shrink from carrying his principles into public or the carrying his principles in t ward." I argue that it has. I think exactly the reverse, mind you; but when we make speeches, we do it for the sake of argument, you see.'

'Do not?' laughed Rose. 'Well I suppose the fact is, you want me to help you write your diches between the rows and by making outlets. A little freezing of the cabbages does not nurt them when there is a sufficient coat of earth to "draw out the frost" gradually. Several of these rows may be placed side by side. The earth taken up for covering will leave open diches between the rows, and by making outlets. When a member of Congress, he was one of the fact is, you want me to help you write your speech—that is what you were going to say, isn't it.

'Me?' said Will, in dignified amazement.
'Great help you would be! You can write the monlight" pieces, and such nonsense for the monlight" pieces, and such nonsense for the carried into the cellar. The earth will gradually that off leaving the cabbage heads in good content of the completive.

'Me?' said Will, in dignified amazement.
'Great help you would be! You can write the soil is kept drained. In Winter, pieces of the bank of frozen earth, with a cabbage in each, may be cut off with an old ax, and carried into the cellar. The earth will gradually that off leaving the cabbage heads in good content to the president of the completive.

When a member of Congress, he was one of the Congressional Temperance Society, and very often spoke and lectured in behalf of the cause. It is said that on one occasion, when he and another gentleman were invited to dine with the President of the Congressional Temperance Society, and very often spoke and lectured in behalf of the cause. THE Singer Sewing Machine Family Sewing Machine is fast gaining a worldwide reputation. It is beyond doubt the best and cheapest and most beautiful of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliful the many sewing Machine has so many useful applications. Tucking the many the many the many the many the many through t Family Sewing Machine has so many useful appliances for Hemming, Binding, Felling, Tucking, Gathering, Guaging, Brading, Embroidering, Cording, and so forth. No other family sewing machine has so much capacity for a great variety of work.

It will saw all kinds of clean write and the United States, by which means he will be able to supply his customers with better goods, and lower in price, than can be had elsewhere in the City.

Also,—On the same day will commence at

will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at al rates of speed. It makes the interlocked stitch, hich is the best sitch known. Any one, even of the most ordinary capacity, can see at a glance, how to use the Letter A Family Sewing Machine. Our Family Sewing Machines are finished in chaste and exquisite style.

The Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in nee,

and when about to be operated may be opened as a spacious and substantial table to sustain the work. While some of the Cases, made out of the chastest manner possible, others are adorned and embellished in the most costly and superb manner. It is absolutely necessary to see the Family Machine in operation, so as to judge of its great ca-pacity and beauty. It is fast becoming as popular for family sewing as our Manufacturing Machines are for manufacturing purposes.

The Branch Offices are well supplied with silk twist, thread, needles, oil, &c., of the best quality. Send for a Pamphlet. THE SINGER MANU-FACTURING COMPANY.
