CONSUMPTION CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of SCOTT'S EMULSION of COD LIVER OIL with HYPOPHOSPHITES of LIME AND SODA will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form perfectly palatable, and acceptable to the most delicate stomach, and we make the unqualified statement that SCOTT'S EMULSION is being used with better results, and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it, Chronic Coughs, Bronchitis, Scrofula, Anemia, General Debility and the Wasting Disorders of children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

SEE WHAT PHYSICIANS AND THE PEOPLE SAY ABOUT IT.
Messrs. Scott & Bowne: 66 West Thirty-ninth street, New York, Sept. 2, 1876.

GENTS—I have frequently prescribed SCOTT'S EMULSION of COD LIVER OIL with HYPOPHOSPHITES during the past year and regard it as a valuable preparation in scrofulous and consumptive cases, palatable and efficacious. C. C. LOCKWOOD, M.D.

Messrs. Scott & Bowne—Gentlemen—Within the last year I have used in my own family, and in my private practice prescribed very extensively SCOTT'S EMULSION of COD LIVER OIL with HYPOPHOSPHITES and found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate stomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrofulous cases. Yours respectfully, A. H. SANTON, M.D. Baltimore, October 12, 1879.

Messrs. Scott & Bowne—Gentlemen—Within the last two months I have fairly tried SCOTT'S EMULSION of COD LIVER OIL with HYPOPHOSPHITES, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we consider it our most reliable agent, in a perfectly elegant and agreeable form. December 10th, 1878. Very truly Yrs. J. SIMONAUD, M.D. New Orleans, La.

Messrs. Scott & Bowne—Gentlemen—In September 1877, my health began to fail and my physical health did not improve, and early in the winter, I began to cough and rapidly grow worse. In May first I was taken with a violent influenza, which brought me to my bed and my life was despaired of for many weeks. My symptoms appeared, night and morning, cough, bright sweats, short breathing, a watery and spasmodic cough, my physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I lost all hope of life, and was on the point of giving up. Last September I purchased a bottle of your Emulsion, before it was all taken I was better. I then bought a dozen bottles and have taken all with the following results: I cough seldom, at night sleep, my appetite returned, pains in spine disappeared, strength returning, and my weight increased from 115 to 140 pounds in six weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friends on the street who ask, what cured you and I answer SCOTT'S EMULSION of COD LIVER OIL with HYPOPHOSPHITES. I have a friend who has not spoken about for 18 months, and is now getting better. I gave him a bottle, and he bought two more, then got a dozen and says that it is food and medicine for him. He was given up by a year ago, but he is improving every week. My recovery is exciting the surprise of many people, and I shall be glad to make known your valuable medicine. Very truly yours, H. F. SLOUM, Lowell, Mass.

About the 25th of last April I got a bottle of your Emulsion, and at that time I was so prostrated that no one who saw me thought I could live but a few days at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from the hour I commenced using, and now am able to ride and walk and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover. I am yours For sale by all Druggists at \$1 per bottle. R. W. HAMILTON, M.D. Nov. 14, 79 year.
