

THE WESLEYAN SPECIAL INDUCEMENTS TO NEW SUBSCRIBERS.

The WESLEYAN will be sent to new Subscribers from the 1st of September, 1876, till the 31st December, 1877, for one year's subscription rate—Two Dollars. This gives the Paper four months free.

This offer is made with a view to increase the circulation of the Paper, which has now, as its readers acknowledge, a very large variety of news, besides much information from the Churches. We will continue to afford reliable reports of the Markets in St. John and Halifax, the latest intelligence by Telegraph and otherwise of any importance, thus meeting the necessities of business men. For the family the WESLEYAN will afford a good store of the freshest, purest reading, necessary to keep members of the household in possession of facts as well as incidents of every-day life. Correspondence from England, the Western Provinces, the United States, Newfoundland and elsewhere will appear in its columns.

To Agents

We are disposed to offer the utmost encouragement possible within the limits of our means. Times are now brightening, and thousands of families in our Church not receiving the WESLEYAN may be encouraged to take it. That our Agents may help us to secure this end we make this

Liberal Offer.

In addition to the usual Cash Premium which each Agent may retain when remitting, we will give to the one who sends us the largest number of New Subscribers before the 1st of January, 1877, TWENTY DOLLARS CASH, providing the number sent be not less than forty. To the one sending us the second largest number we will give in addition to the usual Premium, TEN DOLLARS CASH. To the one sending us the next largest number, FIVE DOLLARS CASH. The names may be sent as soon as they are obtained and the Cash forwarded any time between now and the first of January, 1877. But in all cases the money must be all sent in before the Special Premium will be paid.

We rely upon our Brethren to help us at once. We will send specimens of the Paper to any address they may order free. Ministers wishing to employ their spare hours in a way to do good, will find this a profitable method. Ministers who cannot attend to the Canvas may secure some one who will at once make money and be very usefully employed. Speak of the Paper in your Prayer-Meetings, and on your visit. Help us and we will help you.

The WESLEYAN is now sent by friends: 1—To many who are away from the Provinces. It contains for those a perpetual cheer, as we learn from persons far from home.

2—To poor persons and to those who have been obliged through circumstances to discontinue their Subscriptions.—The blessings pronounced on such donors by those benefited, are frequently sent to us in letters.

3—To Children who have gone out into Business or left home to reside with Strangers. The WESLEYAN thus becomes a bond of Church and Family connection.

Our old Subscribers—true friends of the Paper, are asked to help us by recommending the WESLEYAN to their neighbors and requesting them to subscribe. We will send the Paper to any thus secured as above promised, sixteen months for two dollars.

THE GREAT SHOSHONES REMEDY. Is an Indian vegetable compound, composed of the juices of a variety of remarkable medicinal plants and herbs, the various properties of these different ingredients, when combined, is so constituted as to act simultaneously upon the Blood, Lungs, Liver, Kidneys, Digestive Organs, Nervous System, &c., restoring their functions to healthy action, and, being purely vegetable, is as harmless as Nature's own beverage. This medicine is a decided benefit in all, and a permanent cure in a large majority of diseases of the blood, such as Scrofula, Erysipelas, Salt Rheum, Canker, Pimples, &c. In prescribing this medicine we do not claim that it always performs cures; but this we do say, that it purifies and enriches the blood, permanently curing a large majority of diseases arising from its impurities. It stands far ahead and unequalled among the hundreds of competing medicines of the day. It has stood the test of ten years, and is to-day more popular than ever. As a summer restorative it stands unrivalled; it enables the system to bear up against the constant drain to which it is subjected by a high temperature. Persons who are subject to bilious Colic, Dysentery, Indigestion, &c., should take the "Shoshones Remedy." Price of the Remedy in pint bottles \$1; in 15 cents a box.

Mrs. S. M. MESSIERS, writing from Colorado Springs, Colorado, says: "I have been entirely cured of asthma by using Graham's Pain Eradicator while living in Canada. Since coming here I recommend to my niece living in this town, who was afflicted with Scrofula that settled in her ankle until she was unable to walk, but the use of this valuable preparation completely cured her. Several others here used it with the best results, and it is highly prized here."
