AVERAGE LONGEVITY INCREAS.

It is the opinion of all observers of the condition of civilized people that the average longevity of the human has increased within a hundred rears. Such reports of the death rate as we have go to support that conclusion, and it is throughly proved that devastations of the epidemic diseases are not so great now as formerly; while the medical art steadily advances in its ability to ward off and check malidies which threaten human life. In England for instance, the death rate has declined considerably during a quarter of a century. There, and elsewhere in Europe, as also in this country, the subject of public hygiene has received great attention of recent years, and its difficulties are being steadily overcome. The probability is that men now on the average live longer than their ancestors and in better average health, and that our decendants will gain on us in those respects.

Christianity is no longer on trial. has given proof of its capabilities. has stood in its own strength against bigotry, fanaticism, and wrath of its enemies, and to-day is white-winged as the angel to fly abroad on its mighty and majestic mission. But what form of infidelity has lived longer than a What philosophic or scientific assault on Christianity has had any lasting success? Men once famous for their opposition to the Gospel are half-forgotten or half despised. Their works perish with them.

Men and children are like pebbles. you know how pebbles on the seashore are rounded and made smooth by being rolled against each other. It is so with many men; but now and then we find a person who is as crusty as one of the crabs we find also on the seashore. The more he is rubbed by others the crustier he becomes. So, too, some of the little stones are made very pointed and do not get rounded by the others. Let us try to have all the politene os that comes from obeying the Golden

A GEM.

Sidney Smith cut the following from a newspaper, and preserved it for himself:-" When you rise in the morning, say that you will make the day blessed to a fellow-creature. It is easily done. A left-off garment to the man who needs it; a kind word to the sorrowful; an encouraging expression to the dejected-trifles in themselves as light as air-will do at least for the twentyfour hours. And if you are young, depend upon it, it will tell when you are old; and if you are old, rest assured it will send you gently and happily down the stream of time to eternity. By the most simple arithmetical sum, I was troubled with a swelled ankle, which look at the result. If you send one person away happily through the day, that is three hundred and sixty-five in the course of a year. And suppose you live forty years only after you commence that course of medicine, you have made fourteen thousand six hundred persons happy—at all events for

THE SABBATH HELPING OUR THE MOST VALUABLE GIFT-RE-

DEVELOPMENT. The Sabbath gives us a new start in our life-journey. It counteracts the gravitation of sin and sense and mammon, and sends us forth again with new enthusiasm, thanking God that we are training for something nobler than this earth can give. We are in our lives like a schoolboy learning to write, and every week is a page in our copy-book. On the first line the Lord Jesus has set before us His own beautiful example, and we start out to imitate it. But as we go down line we get to the bottom it is all irregular and blotted, and the paper is blistered with our tears of record with o the Lord's day again; and Jesus, half gone I commenced my foot was before they were finished my foot was speaking to us words of cheer, turns over the page and takes the pan once since, but have had no further attack. over the page and takes the pen once more, gives us another pattern, and we are comforted and encouraged. So we try again. Thus page after page is

time, and it is much better at the end of the book than at the beginning, for at the bottom of the last page the Master writes, "Well done!"-Rev. W. M. Taylor, D. D.

FROM S. H. KENDALL, M. D., of BOSTON.

DEAR SIRS,-I have been afflicted for many years with a chronic inflammation. or morbid state of the liver, together with the long train of complaints which are well known to attend such cases, viz., constipation of the bowels, impaired digestion, cold extremities, shooting pains in the side, extending toward the sternum. &c., so that for many months I have not been able to lie upon one side, nor upon either side without pain. I was about submitting myself to the usual mercurial course of treatment (whereby I hoped to obtain relief, but did not expect to be cured), when you happened to communicate to me some of the remarkable cures affected by the PERUVIAN SYRUP; and (although I am slow to believe in the efficacy of new remedies) having had the pleasure of your acquaintance for a long time, and of course perfect confidence in the correctness of your statements, I was induced to give it a trial. I commenced taking it on Monday, the 6th of March. The 'following Wednesday night I found to my surprise, that I could rest comfortably lying upou either side. Friday; March 10th, not even the slightest pain rested as comfortably as I ever did, and now, in one week, after having taken one bottle of the Syrup, I consider myself cured. But as I find the medicine so pleasant, and as it can be taken without any interruption to business, I shall con tinue it a few days longer. Sold by all

USED!

There are but few preparations of medicines which have withstood the impartial judgement of the people jor any great length of time. One of these is Dr. Thomas' Eclectric Oil. Read the following and be convinced :- Thos. Robinson, Farnham Centre, P. Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Eclectric Oil, and since then have had no attack of it. I would recommend it to all."—J. H. Earl, Hotel Keeper, West Shefford, P. Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say, have tried it on my horses in case of cuts wounds, etc., and think it is equally as good for horse as for man."-A. Maybee, Merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and it is pronounced by the public, one of the best medicines they have ever used;' it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence."—
Joseph Rusan, Township Percy, writes, 'I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit."—A.M. Hamilton, Warkworth, writes, "For weeks annoyed me very much. Mr. Maybee of this place induced me to try Eclectric Oil, and before one bottle was used I was cured. It is a most remarkable medicine. Sold by all medicine dealers, Price

STORATION OF THE HEALTH.

Levi Jones, Markham, says—"I had a very severe attack of Bronchitis. I was so bad that I could hardly get my breath. I sought for a quick remedy, and seeing the "Shoshonees Remedy" so highly recommended, I procured a bottle, and am happy to say, that by the time it was taken, I was entirely well and have remained so althrough, I was much exposed through the winter in travelling.

Rev. F. B. Stratton, Demorestville, writes-"I have found your remedies particularly beneficial for liver complaint, dyspepsia and bronchial affections, and would advise all similarly affected to give

them a trial. John Finlayson, Athol, says-" When after line, we too largely lose sight of travelling one of my feet got sore and travelling one of my feet got sore and had that which he has written, and when broke out.
