THE SEMI-TONTINE RETURN PREMIUM
PLAN
Provides that should death occur prior to the
expiration of the Tontine period, the whole of
the premiums that may have been paid will be
payable with, and in addition to the face
of the policy—thus securing a dividend of
100 per cent. on the premiums paid, should death
occur during said period.

THE COMMERCIAL PLAN.
The large number of business and professional
men who have taken out large policies on the
Company's Commercial Plan, show the demand
for reliable life insurance relieved of much of
the investment elements which constitutes the
over payments of the ordinary plans, is not
confined to men of small incomes, but exists
among all classes of our people.
