LIFE

is the most precarious of human possessions; the one indispensable element of a business or professional career.

DEATH

is the one interruption to an active and useful career that is invariably final; it strikes when or where it will, often sparing, for the time being, the decrepit and debilitated, only to smite the sturdy and vigorous.

Life Insurance is just for such a contingency, and in deference not only to the comfort and security of loved ones, but to personal peace of mind as well, it is incumbent upon every man to procure a policy of adequate amount at once.

A Physician's Testimony for Labatt's Ale

"We find that the ale uniformly and well agreed with the patients, that it stimulated the appetite, and thereby increased nutrition. The taste, likewise, is always highly spoken of. In nervous women, we found that a glass at bedtime acted as a very effective and harmless hypnotic."—SUPERINTENDENT OF LARGE U. S. HOSPITAL.

One need not run to and fro to seek out God. He is not far away. He stands before our door and waits. To him who is ready and opens to him He enters in; He delays not.—John Tauler.

To celebrate the completion of the sixtieth year of his institution to the living of Lytchett Matravers, the Rev. W. M. Heath entertained his parishioners at tea, amongst those present being six old people who were in the parish when he was appointed.

SEVERAL NEW FEATURES

will be included in all policies issued after the beginning of 1911 by The Great-West Life Assurance Company.

Not the least of these is the Total Disability Clause—making a provision for the insured in the event of his becoming totally incapacitated. Premiums remain just as low as ever, and we anticipate that the same high profit returns will mature to policyholders in future as have earned for The Great-West Life their enviable reputation.

If you are interested in this new special addition—and would like to get fullest possible information, write NOW—stating age—to
