Experience is Worth Money

WE WILL PAY FOR IT

The Guide wants letters from farmers dealing with their practical experiences. Short articles on the results of summer fallowing, fall and spring plowing, the use of barnyard manure, cattle and hog feeding; experiences with keeping sheep, marketing farm produce, barn planning, alfalfa, weed eradication, corn growing, gardening; the arrangement of line shafting for household conveniences, poultry keeping; any new labor saving mechanical contrivance, in fact, we would be glad to get any experience, the result of which would be interesting and helpful to other farmers. We will pay 25 cents per 100 words for all articles which we accept.

These articles must be written very plainly and on one side of the paper only. The number of words in the article must be marked at the top of the first page. Enough postage must be enclosed to return the article in case we cannot use it. All articles will be paid for or returned within three weeks from the time they are received in our office.

Some of these articles can be illustrated by photographs or drawings, and we will pay from 50 cents to \$1.00 each for good photographs or drawings that we are able to use.

In preparing these articles do not use any unnecessary words. Facts are what we want, not fine language. When your subject is finished stop writing. These articles are wanted immediately and prompt replies will be most likely to insure acceptance.
