INPROVEMENT IN PLOW MANUFACTURE.—
A superjor brand of steel, the "Eagle Steel" has been introduced at the Lisrower Foundary for plow moulds. It has been proved where used unrivalled in hardness for wear, and in the ease and brightness with which it cleans. No call for heavy cast metal moulds where steel of this quality is obtainable. Steel before metal has hitherto been the rule in our neighboring townships, and with this steel it ought still to keep the lead.
