LEAFS OVERCOME LOSING STREAK

Truesdale, Back in Infield, Helped Toronto Down Providence

Results of Other Games of Yesterday In The International League

Toronto, July 20.—The Leafs returned to form yesterday and took the last game of the series from Providence by the score of 4 to 1. The score in many ways gives some idea of the margin the Toronto boys had on the visitors, and the fans who were in attendance were visibly pleased with the new appearance of the team. In view of the four straight losses just recorded prior to yesterday's victory the overwhelming defeat of the Grays was of more than ordinary interest.

The reason for the victory might first of all be laid at the reappearance of Frankie Truesdale with the Leafs. He arrived here from Montreal, where he had been playing

with Baltimore, and promptly stepped into his old place at second base, while Lajoie having taken over Graham's duties at first base will continue to hold down the first corner. With Truesdale in line the Leafs infield looks just as good as ever if not better. In the outfield Thompson was used again as Altenberg's hand refused to allow him to play, and the hardy young pitcher of the Leafs played far better than on previous occasions while covering the outfield, and only marred his day's work in the right field garden in the ninth when he let a bouncer get away from him.

Warhop went to the mound for the Leafs and he had slightly the better of the argument against "Toots" Schultz, the Gray's twirler, although he was touched up for one more hit than Schultz, but they were fairly well scattered. On the other hand Brannard, subbing as catcher for the Grays, allowed five bases to be pilfered on him. Warhop's ability to lighten up in pinches was his main stronghold, and until the last of the sixth the game was a pitcher's battle. Then Schultz put himself in a hole from which he failed to extricate himself. A single and a base on balls aided by a double steal was turned into two runs when Blackburn came through with a two-bagger, while Lalonde made it three with a single which brought "Lena" home. The third out was made when Warhop forced Lalonde at second. With a lead of three another run

was added in the seventh when a base on balls, advanced by a sacrifice and an error, tallied on a single. The Grays got their only run in the ninth when Warhop started off the inning with a base on balls, McTigue following with a hard single to right, which Thompson failed to stop, it bounding away from him. This put runners on second and third with none out, and one of the runners came home when Thomas lifted to Whitman. The other runner was shut out when Eays grounded out, and Lalonde took care of Schultz's foul.

At Montreal. Montreal batted their way to an easy victory over Baltimore here today by the score of 11 to 2, 17 hits being collected by the locals. Hill and McClellan, Gerner, who hurled for the Royals, pitched a superb game, allowing but five hits. The score:

B'more 0 0 1 0 0 0 0 1—2 5 2
Mont'l 0 3 1 0 4 2 1 0 x—11 17 1

Batteries—Hill, McClellan and McAvoy, Schaefele; Gerner and Howley.

At Buffalo. With but three hits and the assistance of six errors on the part of Buffalo, Richmond was able to take the last game of the series by 3 to 1. Enright and Jaynes pitched splendid ball, but the former weakened

in the ninth and was relieved by Donahue. The Score:

Buffalo 0 0 0 1 0 0 0 0—1 5 6
Richmond 0 0 0 0 0 3 0 0—3 3 4

Batteries—Jaynes and Omslow; Enright, Donahue and Kanier.

At Rochester. Rochester and Newark split a double-header today, the visitors taking the first, 5 to 4, and the home team turning tables in the second, 4 to 3. Errors principally accounted for Rochester's victory in the second game. The scores:

First game—R. H. E.
Newark 0 0 1 0 2 0 2 0—5 9 2
Roch'r 0 4 0 0 0 0 0 0—4 9 1

Batteries—Wilkinson, McGraw, Smallwood and Egan, Blackwell; Causey and Sandberg, Wendell.

Second game—R. H. E.
Newark 0 0 1 0 0 1 0 1—3 9 4
Roch'r 1 0 0 0 1 0 0 2 x—4 5 2

Batteries—Ensmann and Blackwell; Lotz and Wendell.

ERRORS HELPED PIRATES.

Boston, July 20.—Cooper held Boston to four hits yesterday, enabling Pittsburgh to win, 6 to 1, and to split even in the six-game series. Two errors by Maranville in the first two innings accounted for three runs. The score:

Pittsburg . . . 122000010—6 12 2
Boston . . . 010000000—1 4 3

Batteries—Cooper and Fischer; Barnes, Allen, Regan and Traggesser.

RED SOX DEFEAT LEAGUE LEADERS

Took First of Important Series From Chicago Yesterday

Chicago, July 19.—Boston defeated Chicago 3 to 2 in the first game of the series here. Garner connected with one of William's curves in the first inning, after Barry had walked and drove the ball into the left field bleachers for a home run, which gave the visitors a two-run lead. Ruth was hit hard, but managed to pitch his best ball in the pinches. Score:

Boston . . . 300001000—3 10 0
Chicago . . . 000100001—2 8 1

Batteries—Ruth and Agnew; Williams, Wolfgang and Schalk.

AT ST. LOUIS

St. Louis bunched hits off Johnson today and beat Washington 4 to 2. St. Louis got two runs in the first on a base on balls, a sacrifice hit, a wild pitch and three successive singles. In the fourth Sisler tripled and scored on Jacobson's sacrifice fly. Three singles netted the locals one

more in the seventh. Score:

Batteries—Johnson and Ainsmith; Sothoron and Severoid.

AT DETROIT

Dauus held New York to three hits today and Detroit won 2 to 0. The home club's runs were due to Yeach's triple, Heilman's single, a sacrifice, a passed ball and Young's sacrifice in the second inning. Score:

New York . . . 000000000—0 3 1
Detroit . . . 02000000x—2 7 4

Batteries—Cullop, Love and Nunnaker, Walters; Dauus and Stanage.

DETECTIVES ON GAMBLERS' TRAIL.

Chicago, July 20.—The American League has started a new campaign to clean out gamblers from its ball parks, which it believes will be effective. Private detectives have been employed to gather evidence. The bettors will be warned that the detectives have the goods on them and be given their choice of quitting or prosecution, since the league heads do not desire to prosecute if the evil can be checked in any other way. In Boston particularly the detectives have secured much incriminating evidence.
