

The Three Best Speakers in The Political Campaign

A writer in the Toronto Star states that he attended some 40 political meetings and heard 60 speakers. In his opinion, the best and most effective orators he listened to were:—Hon. Mr. Drury, Hon. Mr. Ferguson and A. E. Donovan, ex-M.P.P., of Brockville. He considers the latter gentleman the best speaker of the three.

KEMPTVILLE SCHOOL VISITED BY WOMEN OF NORTH AUGUSTA

Enjoyable Motor Party From North Augusta.

NEWS OF THE DISTRICT

Lyn Cemetery Being Cleaned Up and Re-decorated by People.

North August, June 21.—The regular monthly meeting of the North Augusta Women's Institute was held on the afternoon of June 18 and took the form of a motor trip. About forty ladies and ten gentlemen assembled at the W.I. rooms and eleven cars conveyed the party to the agricultural school at Kemptville, by way of Merrickville and Burritt's Rapids. On arrival the party was given a hearty welcome by the principal, W. J. Bell, B.S.A., who at one time was secretary to G. A. Putnam, superintendent of Women's Institutes of Ontario, and therefore much in sympathy with the Institute work. After a short address telling of the value and work of the agricultural college, Mr. Bell escorted the party through the several buildings and explained very concisely the different kinds of work carried on in each department.

A. J. Logsdail, B.S.A., of the horticulture and botany department, kindly showed the party around the campus which a year ago was a plowed field but now blooming with many kinds of shrubs.

The party was next invited into one of the class rooms and served with lemonade and cake, very much appreciated by all. A hearty vote of thanks was here tendered to the members of the staff who had so kindly entertained and made the afternoon both instructive and pleasant.

The members then left in their own cars to visit the live stock of the farm and then on to Prescott. Arriving at the old Wind Mill about seven o'clock a halt was made for lunch and hot coffee. A short meeting of the members was held, some items of business transacted, birthday books presented and three cheers given to the president, Mrs. A. E. Warren, for planning such an enjoyable trip. The July meeting will be for children.

BROCKVILLE SHRINE CLUB MEMBERS AT CHARLESTON LAKE

Enjoyable Outing of 160 Brockville Residents.

FIELD DAY OF SPORTS NEWS OF THE DISTRICT

Following a Dance at Cedar Park Hotel Party Left on Return at 10 p.m.

Favored with splendid weather, the Brockville Shrine Club outing to Charleston Lake Wednesday was a complete success in every particular, and an event the enjoyment of which will be remembered by those present for years to come.

In all 41 automobiles were necessary to carry the 160 members of the picnic party, which included members of the Shrine Club, wives, children and lady friends. Many made the journey to Charleston Lake in the morning, others going in the early afternoon, reaching the grounds in time to partake of a fish dinner, served by the members of the club residing in Athens. The meal was the most enjoyed of any experiences of the party in years. It was cooked and served by the lake guides, direct from the frying-pans to the plates and was highly praised by the partakers.

The balance of the menu was supplied by the ladies of the party, and following the dinner sports were enjoyed. The ladies running race, 18 years and under, for a prize donated by A. I. and W. D. Wright, was won by Miss Moore, of Athens, while Miss Smithers, also of Athens, won the H. B. Wright prize for the ladies race 18 years and over.

A box of cigars donated by George W. Morrison was won by H. B. Wright in the men's running race, 18 years and under, and the same athlete won a pipe, donated by Fred W. Hausen, for the 18-years and over event.

The "Kleptomaniacs," captained by J. B. Wright, and the "Dipsomaniacs," captained by George W. Warwick, attempted to play a game of baseball, Ralph Hunter officiating as umpire. As was expected by the spectators the game ended in a free-for-all dispute. The umpire refused to give a decision and as a result the individual cups, donated by the Shrine Club, were withheld until the game is replayed on the Broad street diamond.

Quite a heavy sea rolled on the lake all afternoon and as a result the swimming races were cancelled and will be held on a later date. The guides of the lake organized a towing party and took the children in the outing to a sand beach at Webster's Bay where swimming and bathing were enjoyed.

The final event of the day was a race in which 40 contestants part, Fred Stag, Fred Edwards, C. T. Wilkinson, who previously had been "tipped off" to this special event, and secreted women's attire in the car, were caught. The course had been marked when the car was nearly to the end of the race. The straight race was won by the straight runner.

PROHIBITION WITHOUT LAW

Rev. Dr. Ellis preached to a large gathering of Masons in his church at Smith's Falls, Sunday morning. In the course of his sermon he said he was pained and shocked at the vote of Manitoba when the people of that enlightened province recorded opinion two to one in favor of a return to "wet" conditions. He thought, however, that individual mastership was superior to law and that training along lines of self-control would make any nation sober, happy and contented. Repression and dictation naturally aroused animosity and antagonism. He gave as an illustration; A distracted mother appealed to the Chief of Police, "I have done all I could to keep my boy at home at nights. I have locked the door but he escapes. I have changed the locks—his genius discovers the secret of exit, I am heartbroken." The Chief quietly observed: "Why do you not put the latch on the boy?" as if he had said with mingled reproof and suggestion, "Teach him self-mastery. Let him learn obedience. Get a sound head and a sound heart in him and there will be no need of rebukes and repression."
