Perfect finish is not the only thing sought here. Care is taken that the collar band is not stretched out of shape or made uneven or the bottoms of open-front shirts ironed so buttonholes do not come opposite. We do all these things right.

IS STRONGER THAN HIS STOMACH

When Sandow poses and the muscles ridge his back and knot his arms, we think we have before us the very crest of strength in those magnificent muscles. But we haven't. Starve Sandow, or what is practically the same thing, let him be dyspeptic, and his muscle would soon fall. Strength is made from food properly digested and assimilated, and no man is stronger than his stomach, because when the stomach is diseased digestion and assimilation are imperfect.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It enables the perfect digestion and assimilation of food so that the body is nourished into perfect health and strength.

"I had what my physician called indigestion. He gave me medicine for it, but it did me no good," writes Mr. W. H. Wells, of Wilford, N. C. "I wrote to Dr. Pierce and asked him to send me a bottle of his Golden Medical Discovery. I carried out six bottles, and commenced taking it. A few days later I noticed a great change. Felt like a new man. The use of the Golden Medical Discovery I suffered greatly with pain in stomach, my nerves seemed 'run-down,' I was very thin and feeble. Now I can eat heartily and sleep good at night."

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of customs and mailing only. Send at once stamps for the paper-covered book, or 50 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

In almost every neighborhood someone has died from an attack of cholera or cholera morbus, often before medicine could be procured or a physician summoned.
