We Will Pay Your Railroad Fare

During this great July Sale, we will refund to out-of-town customers their full or half railroad fare to and from Calgary when the purchase reaches or exceeds a certain amount. You know the distance your home is from Calgary—the schedule below briefly explains the amount of merchandise it is necessary to buy to get FREE TRANSPORTATION to and from Calgary.

To get this refund of railroad fare, you must shop on a transfer. After entering the store ask the first salesperson who waits on you for a "shopping transfer" upon which will be written your name and address. Take this transfer with you and have each clerk enter thereon the purchase. When through shopping make one payment for the complete list at the Adjustment Bureau on the Mezzanine Floor, where your fare refund will be arranged.
