HAMILTON EVENING TIMES FRIDAY. AUGUST 27 : 909. <text> IN FAVOR OF MEN. DISCUSSED HOTEL BURNED. Binbrook Conciliation Board's Report on Fort THE INCIDENT. Whom Two Mothers Battle. Strathcona House, Niagara, Destroy-William Strike Presented. Ottawa, Aug. 26.—Mr. F. A. Acland, Deputy Minister of Labor, has submit-ted to the Minister the award of the Conciliation Board appointed under the Lemieux act to deal with the strike at Fort William. While the report itself has not been made public, it is under-stood to be a unanimous finding in favor of the men. It is understood that the company will increase the present rate of wages in accordance with the award. William Strike Presented. Misses Margaret and Helen Bridges, Misses Margaret and Helen Bridges, of Hamilton, are the guests of Olive Harrison, in the village. The many friends of Mr. H. J. Guyatt will be sorry to learn of the accident which happened to him on Wednesday afternoon. He had his jawbone broken by a kick from a horse. The afternoon of August 25th the hadies of Binbrook and vicinity met in the Temperance Hall to hold the regu-lar monthly meeting of the Women's Institute. The meeting, as usual, was opened by singing the National Hymn and repeating the Lord's Prayer. Nearly every lady responded to the roll call with some trite saying, recipe or news-paper clippings. Mrs. W. J. Moore read s. poer, qanticide "The Dif-ference," and Mrs. J. Guyatt read a most interesting piece on "The Old-Fashioned Woman." Mrs. James Muir, jun, gave a réading on "The Country Girl's Ad-vantages Over Her City Cousins," while Miss Minnie Arthur took as the subject of her paper "Working and Growing." showing how essential it is to grow with the world, if we expect to work for the good of our fellow creatures. A choice to of recipes were then given. The meet-ing was closed by singing the National Anthem. ed Within an Hour. Barton Board of Health and of Hamilton, are the guests of Olive Niagara-on-the-Lake, Aug. 26 .- In less Ryerson Church han an hour's time the Strathcona Hotel, at Nagara on the Lake, was burned to the ground this afternoon. The fire was discovered in the basement at about 3.20, and the thirty odd guests had bare-ly time to escape before the whole build-ing collapsed. Come to an Understanding About the Quarantine. Church Will Remain Closed For collapsed. t was a five-storey frame building, h about sixty rooms, and was built enty years ago. The only things red were the piano and a few odds l ends the guests were able to pick in their hurried exit. A number in hing at the time did not have clothes dress. award. Twig Costs Him an Eye. Another Sunday. Kingston, Aug. 26.—John P. Sullivan, of Kingston, was working near Sault Ste. Marie. A twig struck him in the left eye and he had to have the eye removed. There was a full representation of the Barton Board of Health at the meeting up in held in Reeve Gage's office last night The board acted on his recommenda-tion, and will await his advice as to rain ing the quarantine before a week from Sunday. to dress. The hotel was owned by Messrs, Gur-ney, C. D. Warren and Brown Brothers, of Toronto, who last week refused \$25, one of the state of the s Largest Underground Waterway. Rev. W. J. Smith. President of the Ham Largest Underground Waterway. The Gumison tunnel, which is part of a great irrigation project in Western Colorado, is rapidly approaching com-pletion, and will be the largest under-ground waterway in the world. It is six miles in length, and will carry thir-teen hundred cubic feet of water per sec-ond. Its cost will be over \$2,500,000. ilton Conference; Rev. C. S. Applegath ing the quarantine before a week from Sunday. The explanation given by the board why St. Ann's Catholie Church had not been closed like all others, was that the members of that congregation who came from the infected parts, had been quar-antined before the order was issued. There have been no new cases of scar-let fever this week so far, and the Medi-cal Health Officer is of the opinion that the epidemic is now under control. Be-tween forty and fifty patients are con-valescing, and the danger point is now believed to be past. and several members of the Quarterly Board of Ryerson Methodist Church were also present. The meeting was LEGS BROKEN. called to discuss the trouble arising from che action of the Board of Health in uarantining the church and the late of the compression who came to an include before the order was issued.

New York, Aug. 26 .- When Frederick Stockholm, an engineer in the employ of the Otis Elevator Co., of Yonkers, List of Agencies of the Otis Elevator Co., of ronkers, suddenly fell beneath a desk at which he had been standing yesterday, those who had thought he had fainted and had run to aid him, found, to their amazement, that both his legs were Smithville On Saturday last a hot fire, that look-ed for a time as if it was going to de-stroy several buildings, took place here. The fire engine did splendid work, and saved a heavy loss. The buildings swept away were the Agricultural Hail, in-sured for \$6,000; a stable belonging to Mrs. Kettle, worth about \$200, insured for \$100, and a stable owned by Mrs. Diamond, of Hamilton, no insurance. It is the intention of the Agricultural Society to hold their fall fair, as usual, and they are putting forth every effort to make it a success, if the weather is fine. Mrs. Geo. W. Hart, of Hamilton, spent where the amazement, that both his legs were broken. At St. John's Hospital, in Yonkers, his was said to be one of those rare cases in which a person's limbs are snapped like toothpicks by the mere contraction of the muscles. Stockholm, who is a giant in statue, was looking over some plans on the high deak and was leaning heavily on his right hand. The hand slipped off the edge of the desk, and, in making a sud-den movement to regain his balance, the muscular strain breaking both right and left femurs-the former a few inches above the knee, and the latter close to the hip. Stockholm is 65 years old, but was reported to be doing fairly well last night. The attending physician said it was one of the most unusual and inter-esting cases he had ever observed. **Hamilton Times** broken. may be had G. J. M'ARTHUR, Stationer, Rebecca Street, 4 doors from James. fine. Mrs. Geo. W. Hart, of Hamilton, speut a few days of last week with her father, Mr. T. W. Shipman, returning home on Saturday. Ten persons left this station on the 23rd, on the harvesters' excursion to the Northwest. F. W. SCHWARTZ, Royal Hotel News Stand. Here is Baby Marian Bleakley, the most sought-for child in the United States, the object of the intense mother love of Mrs. Charlotte Blake-ley, a Topeko stenographer, and the equally intense foster-mother-love of Mrs. J. D. Barclay. Adopted out of an incubator at Chi-cago by the Barclays, little Marian became the centre of a fierce battle through three courts between the real mother and the foster parents. Guard-ed with infinite care by the mother, who finally won legal possesion, the baby had numerous escapes till the latest successful attempt at Topeko, when force, revolvers, automobiles and fast horses aided Mrs. Barclay and in the end landed her and an accomplice in jail at Kansas City, where a new legal battle is now in progress. of Buffalo, discussing her claims for the custody of five-year-old Marian Bleakley, the "incubator baby," to-day. "God knows I would not fight this case if I did not know Mrs. Bleakley is not the mother," Mrs. Barclay added. Mrs. Barclay will not ask bond, al-though her husband is ready to present it in any reasonable amount." F. W. SCHWARTZ, Waldorf Hotel. THOS. FRENCH, 90 James Street North. Northwest. Mr. John M. Field, Principal of the Goderich Collegiate Institute, accom-panied by his nephew, Dr. Bond's son, spent the week end with his parents here. C. WEBBER, Terminal Station H. T. COWING, 126 James North. Note: The week end with his parents here. Rev. S. C. Wright, of St. Ann's, preach-ed here on Sabbath last, at both ser-vices, to large congregations. Messrs. Vine & Nevilles shipped a large load of hogs from this station on Monday, at good prices. Improvements are the order of the day here. Mr. William Roberts has built a concrete sidewalk up to his house, and the Misses Fallys have built a sidewalk and filled in front of their house, which adds much to the appearance of the street. "I'll fight till I die to retain this child," said Mrs. Barclay, foster mother BEST IN MANY YEARS Millers Well Pleased With Quality G. B. MIDGLEY, Printer, 282 James Street North. of the famous incubator baby. "She is not the child of Mrs. Bleakey, of Tope of Wheat. Montreal, Aug. 26.-Mr. F. W. Thomp-son, vice-president and managing direc-tor of the Oglivie Flour Mills Company, in an interview to-day, said: "The greater part of the wheat crop in Manitoba is already cut, and har-vesting is well advanced in the other Provinces. Thrashing is under way at many points, and it will be possible in a few days to measure fairly accurately the average yield. "The quality is the best we have had in many years, both in respects to strength and color, and it is just such cops as the present that have made Canada famous the world over in the past for the quality of her hard wheat. While our official estimates of the crop have not yet been completed, we believe from reports so far received that the total yield will approximate 115,000,000 bushels." LABORERS SCARCE. of Wheat. ka, but is the daughter of an actress, and I shall fight to the end for that A. F. HURST, Tobacconist, 294 James Street North. mother. If we could only get the ac-tress here this case would be cleared away in a moment, but she is not within A. A. THEOBALD, Tobacconist, 358 James Street North. away in a moment, but she is not within the jurisdiction of this court." The Supreme Court having decided that Mrs. J. G. Bleakley, of Topeka, Kan., is the mother of the baby, the fight in court to-day was over habeas corpus proceedings to prevent. the re-turn of the child and Mrs. Barclay and J. M. Gentry, charged with stealing it, to Kansas. Mrs. Barclay's coursel as-serted he had proof that Mrs. Bleakley's baby had died and that the incubator "baby was not hers." After argument was heard on the writs court adjourned the hearing until next Monday. Governor Hadley, at Jef-ferson City, will hear argument for and against the requisition from Kansas for Mrs. Barclay and Gentry probably on Friday, and in the meantime the baby will be cared for by the clerk of the ju-venile court of Kansas City. Connel for Mrs. Bleakley pleaded for immediate, custody of the spiid, but Judee Porterfield denied the nlea and jurisdiction of this court." D. MONROE, Grocer, James and Simcoe. understanding between the individuals concerned. Rev. W. J. Smith was called upon to address the board on behalf of the church. He said he came not to increase the difficulties nor to help by his own ability to solve them, but as a repre-sentative of Hamilton Methodism to act. in a small way, as mediator. He could become ill adjusted. Might it not, he asked, have arisen from a misunder-standing? Mr. Applegath had not been in the harness as long as some others present, and in acting as he did did not think he was disobeying the orders of the board, nor that he was running counter to its its mandates. While the people were gathering last Sunday morning he held a short prayer service in the open air. JOHN IRISH, 509 James North. **BELONGS TO ACTRESS** W. THOMAS, 538 James Street North. bed one of his assailants in the arm. The gang then left the spot in a hurry. The German did not recognize his assail-ants, and it is not likely they will be captured.

News Worth Investigating.

Saturday's news in Treble's, Lim ited, back page advertisement is well worth investigating, for half price is the order of the day.

the order of the day. It's your opportunity to buy your hats and furnishings at the lowest prices sold at in Hamilton before. To-morrow is the last day of their summer sale, and their policy is not to carry goods over, so we advise all who want any of these splendid values to be on hand at 8 o'clock. This drastic reductions makes sell-ing easy and prices that will not al-low dilatory shopping.

LABORERS SCARCE. Winnipeg, Aug., 26.—The scarcity of farm labor continues to be the mournful plaint from all over Manitoba and sec-tions of Saskatchewan. The arrival of a large excursion from the east to-day did not materially relieve the situation, especially here, as the majority of the men went on west. From Portage Plains comes a report that at least five hun-dred men are urgently required there, as farmers cannot stook the grain, and the sheaves are lying loose on the ground. There is no doubt that the sit-uation is generally serious. At least ground. There is no doubt that the uation is generally serious. At le fifteen thousand more men could placed here at present.
