### HOLLOWAY'S PILLS

Let no one be longer oppressed with the notion that his malady is incurable. Purifying Pills have had a far greater success in removing the more violent humors, and therefore completely curing the most disordered actions, such as the liver, the obstructed kidneys, cleansing pure blood, and causing on every count beautiful results.

#### Impurities of the Blood.

These wonderful Pills are valued at the humblest hearts as well as in the houses of comfort and wealth. They work a thorough purification throughout the whole system without disordering the natural action of any organ, and eradicate those germs of complaints which enough tend to shorten an early grave.

#### Indigestion, Bilious Complaints and Sick Headache.

No organ in the human body is so liable to disorder as the liver, and none is more apt, when neglected, to become seriously diseased. Remember when nausea, flatulency, or acidity on the stomach warns us that digestion is not proceeding properly, the Holloway's Pills regulate every function, give strength to every organ, speedily remove all causes of indigestion, bile, and sick headache, and effect a permanent cure.

#### Weakness and Debility.

In cases of debility, languor and nervousness, generated by excess of any kind, whether mental or physical, the effects of these Pills is in the highest degree renovating, and restorative. They draw from the system the morbid causes of disease, re-establish the digestion, regulate the secretions, strengthen the nervous system, raise the patient's spirits, and bring back the frame to its pristine health and vigor.

#### Turn of Life and Dropsical Swellings.

The turn of life is the most distressful period in woman's existence: it distresses thousands. The whole of the gross humors collect together, and like a tide sweep away health and life itself, if not timely and powerfully checked. The most certain and safe for all these dangers is Holloway's Pills. Armed with them the feverousness is passed through, and the sufferer is once more restored to the possession of unimpaired health. It is but little known that at the so-called "turn of life," man also, when verging on fifty or fifty-five, discovers that his health is considerably deranged and knows not the cause—a critical period in his life. All perils to both sexes are at once removed by recourse to these Pills.

#### The Kidneys—their Derangements and Cure.

If these Pills be used according to the printed directions, and the Ointment rubbed over the region of the kidneys for at least half an hour at bed-time, as salt is forced into action it will penetrate the kidneys and correct any derangement. Should the affliction be severe or grave, it is particularly recommended that the Ointment in such cases be used night and morning, by its judicious application the most astounding cures may be performed.
