

Many People Report Big Gains in Weight

Thousands of Thin, Frail People Restored to Health by Tanlac

MANY REMARKABLE EXPERIENCES TOLD

People in all Ranks of Life Tell What Celebrated Medicine Has Done for Them

One of the most noteworthy features in connection with Tanlac and the one that stands out more prominently than any other, perhaps, is the very large number of well-known men and women from all parts of the country who have recently reported astonishing and rapid increases in weight as a result of its use.

When so many well-known people of unquestioned integrity make statements after statement, each corroborating the other, the truth of such statements can no longer be doubted.

Thousands have testified that this famous medicine has completely restored them to health and strength, after every other medicine and the most skilled medical treatment have failed.

One of the most remarkable cases on record is that of Mrs. Viola Ives, of 315 Cross Street, Little Rock, Ark., whose statement appears below.

"In May of 1913," said Mrs. Ives "I suffered a complete breakdown of my nerves and my entire system gave way. About six weeks afterwards I was carried to the hospital. I became perfectly helpless—couldn't move any part of my body and just lay there in bed for five months, not knowing anything or anybody. I was brought home in October, 1913, and tried all kinds of medicine and everything I was told about.

"I read about so many people getting relief by taking Tanlac and my husband got me a bottle. After taking three bottles I began to feel better. I have taken several bottles of Tanlac now and I can walk anywhere and sleep like a child. When I took my first dose of Tanlac I weighed only one hundred and twenty-two pounds. I now weigh one hundred and sixty-two—an actual gain of forty pounds since I started on Tanlac."

Texas Man Testifies.

Another remarkable case was that of John M. Crabtree, a general merchant of Five Mile Station A., Dallas, Texas:

"I have actually gained thirty-four pounds on three bottles of Tanlac and I now know what it is to enjoy good health after suffering for twenty years," said Mr. Crabtree.

"I suffered with catarrh of the stomach and indigestion for twenty years and for eighteen months, before I started taking Tanlac. I had to live almost entirely on cereals. I spent nearly all of one whole year in bed and was unable to do anything at all and I fell off in weight to 118 pounds.

"After using my third bottle of Tanlac I found I had increased in weight from 118 pounds to 152 pounds, making an actual gain of thirty-four pounds—all my troubles were gone, and I was feeling like another man."

Captain Jeff D. Riggs, popular Y. & M. V. engineer, running between Vicksburg and New Orleans and residing at 2020 Pearl Street, Vicksburg, in speaking of his experience with Tanlac said: "Yes, sir, it's an actual fact, I have gained twenty-five pounds on Tanlac."

"When I began taking the medicine," continued Captain Riggs, "I was simply a nervous and physical wreck and had dropped down in weight from one hundred and forty to one hundred and ten pounds.

"I have just finished my second bottle of Tanlac, have gained twenty-

Mrs. Chas. Peden Gains 27 Pounds

WAS TWICE EXAMINED AND TOLD OPERATION WOULD BE HER ONLY HOPE.

"I have just finished my third bottle of Tanlac and have gained twenty-seven pounds," was the truly remarkable statement made by Mrs. Charles Peden, residing at 55 Mill Street, Huntsville, Ala.

"When I commenced taking the medicine," she continued, "I only weighed ninety-eight (98) pounds; now I weigh 125 pounds, and never felt better in my life. For years I have suffered with a bad form of stomach trouble, constipation and pains in my side and back. At times the pains took the form of torture, and I was told that I had appendicitis and that an operation would be my only hope.

"I had made all preparations for the operations, and called in my sister to tell her good-bye, as I did not know whether I would live to see her again or not. My sister begged and pleaded with me not to allow them to cut on me and told me to wait and try a good tonic for a while. The next day, as I returned from the consultation room, I thought of what she said, and as I heard so much about Tanlac, I decided to try it and get a bottle."

"I never returned for the operation, but just kept taking the Tanlac. Right from the start I began to feel better. The medicine seemed to take hold right at once.

"I was so happy over the wonderful improvement in my condition that I sent for my neighbors to tell them how much better I felt. I sent and got another bottle of Tanlac, and have just finished taking my third bottle and feel as if I have been made all over again into a new woman."

ty-five pounds and I feel like a new man."

Old-Time Engineer Talks.

Engineer Chas. J. Weeks, who runs the Seaboard Air Line fast train "Fox" between Jacksonville and Tampa, bears the distinction of being the second oldest engineer in point of service with this road, having been with the company for thirty-five years.

"I have gained twenty pounds on seven bottles of Tanlac and feel as well and happy as I did when a boy," said Mr. Weeks.

"For twenty years I suffered with nervous indigestion of the worst sort," he continued, "and at times during the past fifteen years I didn't think I would last much longer. To tell you the truth, I finally reached the point where I didn't much care whether I lived or died."

Thousands of other people all over the country have reported the same astonishing gains in weight after taking Tanlac. Among these are:

Mrs. E. O. Wilson, of 197 Bass St., Atlanta, Ga., who gained 25 pounds; Edward Reno, 1721 Broadway, Kansas City, Mo., who gained 25 pounds; Mrs. W. C. Cochran, of Juliata, Idaho, who gained 22 pounds; Mrs. Doll Davis, of 108 Samuel Ave., Peoria, Ill., who gained 30 pounds; Chas. E. Shaffer, 508 W. Charleston St., Portland, Ore., who gained 24 pounds; Mrs. Amelia Mann, R. F. D. No. 2, Ogden, Utah, who gained 26 pounds; W. S. Hukill, 7308 Park Ave., Tacoma, Wash., who gained 20 pounds; Mrs. B. W. Smith, 3113 Burdett St., Omaha, Neb., who gained 35 pounds; Fred W. Saunders, 710 Market St., San Francisco, Cal., who gained 24 pounds and many others too numerous to mention.

Tanlac is sold in Newcastle by E. J. Morris.

Doctors Are Sending In Reports

Acting on the suggestion of the District Board of Health the doctors throughout the province are sending in reports of all cases of venereal disease that come to their notice, this action being in the line of the board's policy to treat the disease with the attention that it has long required.

Veneral disease is recognized by the medical authorities as one of the two greatest and most malignant diseases common in this province, and by putting it on the same plane as

smallpox and making all cases known reportable, it is thought that a basis will be secured to greatly reduce the number of cases which are known to be common throughout the province.

Whenever a case is reported, the party afflicted is taken in charge by the Board of Health for the district and the patient is kept under surveillance until completely cured.

The Board of Health is particularly desirous of preventing marriages between parties so afflicted, and in this respect are working jointly with the Soldiers' Civil Re-Establishment Commission and organization engaged in social welfare.

Clean to handle. Sold by all Druggists, Grocers and General Stores

Huns Want To Leave The Fatherland

Berlin, Aug. 27.—Five million Germans have filed with the Central Bureau of Immigration and its sixty-four sub-stations applications for permission to leave the country. The majority of the intending emigrants are turning their eyes towards south America. A large number also have indicated their desire to settle in Palestine.

A circular letter from the leaders of the Spartacan party has fallen into the hands of the league for the protection of German culture. It says the party opposes this clause in the peace treaty relative to labor by German workmen in the rehabilitation of devastated districts in France and Belgium, saying the pact was signed by bourgeois with bourgeois. The letter states that the Spartacan organization will not send its laborers to France, and declares the manner of transporting workers, their separation from their families, and their quarters in barracks is reminiscent of bodily slavery.

With a view to countering an expected Spartacan anti-government pamphletting campaign of great proportions, Gustave Noske, secretary for military affairs, has forbidden the issue of brochures and pamphlets in greater Berlin or in the suburbs of Spandau, Tellow and other places. He also has forbidden the publication of newspapers without official sanction.

The government has decided to ask the national assembly to permit of the felling of forests to meet the coal crisis in the coming winter.

According to the Berlin Lokal Anzeiger all express train services and probably all passenger train services will be suspended at an early date throughout Germany, owing to lack of coal.

The Bavarian army officially ceased to exist to-day; it became part of the imperial defence army. President Ebert and Minister of Defence Noske were present at the ceremony.

Dr. Haniel von Haimhausen, former councillor of the German embassy at Washington, has been selected for appointment as German ambassador to the United States, according to authoritative information to-day.

Dr. W. S. Solf, the secretary for the colonies, is the selection for the ambassadorship to Great Britain, and Herr Radowicz, former under secretary of state, for the ambassadorship to China.

Fritz August Thiel, former German consular representative in Japan, has been picked for the post of ambassador at Tokio.

The appointments of the men selected for ambassadorships, it is stated, depend upon the attitude of the powers in question. If they send charges d'affaires to Berlin Germany will take like action as to representation in the capitals of such powers.

Washington, Aug. 27.—No inquiry has been made of the United States as to whether Haniel von Haimhausen will be acceptable as ambassador, but there is every indication that this government will not receive Haimhausen or any one else formerly connected with the embassy under the regime of Count von Bernstorff.

SONS OF TEMPERANCE TO MEET HERE

At the quarterly meeting of the Kent—Northumberland District of the Sons of Temperance, held in Harcourt Monday Aug. 25th, it was resolved to hold the next District Division on Thanksgiving in Newcastle.

THE EXPLANATION
Nature placed the growth-promoting "vitamins" in the oil of the cod-fish—this explains why **Scott's Emulsion** is so definite in its help to a child of any age. Latter-day science reveals that the "vitamins" are needed for normal growth. *Scott's Emulsion will help any child grow.*
Scott & Bowne, Toronto, Ont. 1919

Presentation To H. H. Stuart

On the eve of his departure for Sunny Brae to assume the principalship of the school there, Mr. H. H. Stuart was called upon at his home here Saturday by three of his last term's pupils, Misses Annie Young, Margaret Simpson and Marjorie Russell, who on behalf of the pupils and teachers, presented him with a very handsome arm rocker and valuable fountain pen, and the following address, which was read by Miss Young:

Dear Mr. Stuart: We, the teachers and pupils of Douglastown, wish to extend to you our heartfelt thanks and appreciation for your work during your ten years as principal of the Douglastown Superior School. Your thoughtfulness of all those under your supervision and your anxiety for the success of your pupils will ever be to us a remembrance of your principalship, and we trust that in your new school year efforts may be crowned with success.

We beg of you to accept this gift as an appreciation of your work in Douglastown, and we wish you every success for many years to come.

Signed on behalf of the teachers and pupils

M. KEARNEY,
A. MORRISON
C. C. BREEN

Douglastown, Aug. 23, 1919.
Mr. Stuart made a very feeling and appreciative reply.

Currie Talks of Tory Convention

Toronto, Ont., Aug. 2.—In its news columns, tomorrow morning, The Globe will have the following about a proposed Dominion wide Conservative convention, Lieut-Colonel John A. Currie, M. P. for North Simcoe, having quoted as authority for the announcement:

"According to Lieut-Colonel John A. Currie, M. P., a Conservative convention for the whole of Canada is planned for this autumn. It will represent, he says, the formation of the new national committee, which was announced last night in Winnipeg by Hon. Robert Rogers.

"While there is no confirmation of the report forthcoming from Toronto Conservative committee rooms, it seems a not improbable development and would mark the definite split in the ranks of the Conservatives, some of whom are supporters of union government and others definitely opposed.

"Lieut-Colonel Currie, in discussing the situation said that in his opinion, national cleavage political parties were needed for national government. He was not opposed to coalition government in war time, but was emphatically opposed to a permanent Unionist party.

"Concerning the relation of the Rogers' movement to the prime minister, Lieut-Colonel Currie did not desire to be critical of Sir Robert Borden, but he thought that the party caucus authorized Sir Robert to form a real coalition government in which the identity of the Conservative party would not be ignored or lost."

German-Americans Carry On Their Propaganda

The New York Outlook, which championed the Allied cause from the moment Belgium was invaded; is still banned by German-Americans. The editors recently received a letter from Chicago containing the following threat:

You would have perhaps 200,000 subscribers and your advertising columns would tremble were it not for the fact that we hyphens were pledged to remember your rotten anti-German campaign before we were at war with Germany, and we are doing all we possibly can to touch you where it hurts most; namely at your pocketbook. Only the other day the writer's brother-in-law; the advertising manager of a firm making nationally advertised goods; was induced to keep their advertisement out of your publication and placed it in other magazines whose publishers had enough sense to keep quiet at that time. There are 20 million of us who have your number; and we are aware of the fact that now is our time to get even.

ONE OF THE 200,000
The Hun American organization is hard to destroy. It has enjoyed a marked revival since the conclusion of peace removed the veto upon its activities. It is co-operating with the Sinn Feiners in a persistent effort to stir up trouble between the American Republic and the British Empire.

Make up a batch of Bread and Rolls with it. Then bake a Pie and Cake.

Notice the fine, even texture—the absence of holes—the delicate, nutlike flavor, of the Bread. Then consider the lightness and flakiness of the Pastry. You'll never go back to the coarse, almost tasteless western wheat flours, after once enjoying the flavor of the good things made with Beaver Flour.

Order a sack today.
