A Train Held Up.
THE ENGINEER SHOT, THE EXPRESS CAR SAFE BLOWN OPEN, AND \$250,000 STOLEN.

A New Cook Book.
Miss Maria Parlos has just written a new cook book, which has been gotten out in handsome style, with illustrations, and is now being prepared for publication by the Living Street Press, Montreal.

CHICAGO, Sept. 12.—A train on the Lake Shore Road was held up near Kenilworth, Ind., last night, by a score of masked men. They shot and seriously wounded the engineer when he refused to throw up his hands. Dynamite was exploded under the express car while armed guards were placed at the doors of each car of the train. The messenger of the express car was beaten into insensibility, the safe blown open, and the express car was carried away by a Chicago bank. None of the passengers were molested. The express car was now being shipped east by a Chicago bank.
