descriptive, related his vast experi-ences from the day he left old Quebec up to the day on which he left the shores of Old England en route to his native home. Leaving the beautiful French Canadian city his gallant regithe day on which he left the shores of Old England en route to his native home. Leaving the beautiful French Canadian city his gallant regiment 1,000 strong with light hearts and joyful song, boarded the transport, accompanied by the plaintive cry of the bagpipes "Will ye nae come back again?" Out of that whole regiment only 62 survived. Suffocated with poisonous gases, a modern barbaric method of warfare, and torn to pleces by the screeching shells and flying bullets the brave Canadians held on to the bitter end. It was in this terrible conflict that our herofell. Private Jensen's splendid tribute to the navy, was worthy of a soldier, and evoked prolonged applause. He also spoke highly of his darkskinned comrades, the Indian solding the form of the shore command of a foreign going the skinned comrades, the Indian solding and the city at 12.10 pm. to-day.
