SERVICE

Implies not only prompt shipments and courteous handling of an account, but uniformity and reliability of products.

Had you not better let us have that order for

Paints, Soaps or Oiled Clothing

so that we may be able to cover your requirements?

The Standard Mfg. Co., Ltd.

IT IS ONLY LATELY THAT WE HAVE BEEN HITTING

The Men's and Boys' Ready-Made Business.

Therefore as this Department of ours may be somewhat of a stranger to the buying public, we have to give it a little puff. Whilst we do not consider that we are yet

"IT"

in this Department, as the present is now a difficult time to start anything, nevertheless we flatter ourselves that

We Have Made a "Hit"

with the public with several lines, even if we do say it ourselves. Another thing which we know is sure to make a "hit" is a lot of

Men's Striped Worsted Trousers, at \$5.00 per pair.

This may seem a bit of a price now, but you will not think so in about ten years' time when you will still be getting good wear out of them, and will be able to say "I bought those trousers the time of the War," and if the War is not then over, you will be glad you bought a good pair of Trousers.

The material in them is a pre-war English Striped Worsted Trousering, which goods is now impossible to get. It is warm and of wonderful wearing qualities, and we can highly recommend these Trousers.

Good Men are Getting Scarce

around here now. We are out to protect those who are left.

Some of you have been running round lately in your Shirts

which you used to wear in the good old summer time, as you thought we were having a mild winter.

WE WERE—BUT NOT NOW!

This is just a few words to say that we have lots of

Warm Cold Weather Shirts for Men,

in Striped Flannels, Winceys, etc., at reasonable prices. And now, as you will find, you will really want some good warm Underwear, we say

STANFIELD'S Shirts & Drawers,

made of soft, warm, unshrinkable wool.

Are the Finest Kind of Underwear for Cold Weather.

They will keep you as warm as toast, despite the most chilling breezes, and they will withstand the hardest handling of the most inexorable washerwoman, and still remain as soft as wool should be.
