WILL THE KAISER ABDICATES

The Temps, commenting on the Raiser's latest message to the Reichstag, says, There can be no doubt that a great struggle is going on around the German Emperor's person, between the influences which caused the war and wish to maintain the old regime, and the partisans of a new regime far less democratic, and of a Germany's strength. By returning to liamentary exigencies press upon him even amidst his staff which exhorts ore or less deference to resign.
