

## OFTEN WORKED ALL DAY WITHOUT A BITE TO EAT

**Soucey Hardly Able to Sleep Or Work Before He Got Tanlac—Day's Work Doesn't Tire Him Like Half Hour's Job Did Before.**

"I was so down and out. I could hardly eat, sleep or work, but Tanlac has built me up all round and I feel just like I've been wanting to feel," said J. A. Soucey, 2257 Jacques-Heriot St., Ville St. Louis, Montreal, a well-known employee of the Grier Timber Co.

"I had indigestion so bad that many a time I went all day long without eating a bite of anything. In fact, I almost hated to eat, for I suffered so with pains and cramps that sometimes even a glass of water turned against me. My nerves were so shattered they kept me restless all the time and I dreaded to see night coming on for I would lie wide awake for hours rolling and tossing. Then

in the morning I had a terrific headache, and all through the day I felt so weak and no account I would nearly give out.

"But I feel as strong and healthy now as I ever did in my life and five bottles of Tanlac are what have fixed me up so fine. I'm surprised at the way Tanlac has built me up. Why, a whole day's work now doesn't tire me as much as a half hour's job used to. I eat hearty, sleep good and sound, and don't see how anybody could be in better health. Tanlac has done even more than I expected, and it is my turn now, I think, to do something for Tanlac."

Tanlac is sold in St. John's by M. Connors; in Paradise, by Mrs. Martin P. Byrne; in Upper Gables, by Heber Andrews; in Portland, by H. C. Haines; in St. Joseph, Salmonier, by Mrs. J. Gushue; in Marytown, by Explo Valley Royal Stores, Ltd.; in Flat Islands, by William Samson; in Jamestown, by Christopher Haines, and in Lewisporte by Ulrich, Freake, and Co.

## C. L. B. Successful Year.

The regular weekly parade took place on Tuesday last and as usual was largely attended. Routine work was gone through until 5.45 p.m. when all members attended the annual meeting of the Athletic Association in the W. & N.C.O.'s Mess. Rev. E. H. Fletcher occupied the chair, and on calling the meeting to order, congratulated the Association on the record attendance, and then proceeded to business. The Secretary, C.S.M. Bert Colton, presented the accounts for the previous year, duly audited, which showed the Association to be in a healthy financial condition as after having paid into the Brigade funds their assessed amount towards running expenses, there is still a large balance to the credit in the savings department. The review of the year's work was then read by the Secretary, and as it proved very interesting, extracts from same are furnished for the benefit of the Brigade friends, supporters and others interested.

Extracts from Secretary's Report: "During January, 1920, the Association ran off a series of fixtures both in hockey and basketball. The games were a great attraction both to the lads and seniors and several members proved quite proficient players. In March last Messrs. A. Hammond, A. Hennebury and S.

Skiffington rejoined the Brigade as Gymnasium Instructors. All are ex-members of our organization and had splendid records while serving with the Royal Nid. Regiment. They were accorded a hearty welcome by the Athletic Council and up to date have done splendid work in connection with our Gym.

It is a well known fact that the success of the annual C. of E. Garden Party largely depends on the Sports Committee, and this Association feel proud of the fact that we had the management of the Sports on this occasion. There was not one dull moment during the whole of the afternoon and night, and when we realize that the total receipts for that day amounted in the vicinity of \$7,000, it proves to us that it only needs the united efforts of every member to make a sports programme a decided success.

At the presentation of the Outerbridge Shield the Association again figured prominently and the Gymnasium squad under C.S.M. Rendell acquitted themselves very creditably and received the united congratulations of all ranks. The annual Camp Sports have always been successful and this past year was no means an exception to the rule. We had every satisfaction, splendid weather, and keenly contested events, with a large number of Brigade friends and others as delighted spectators. Our big

## TO-DAY'S MESSAGES.

**BELGIUM TAKES INITIATIVE.**  
BRUSSELS, March 23. The Senate and Chamber have adopted a bill for the reduction of fifty per cent. of payments on German goods, in accordance with the London agreement.

## HIS FATHER'S SEAT.

LONDON, March 23. Austin Chamberlain, recently elected leader of the House of Commons, has been appointed Lord Privy Seal, both positions having been previously held by Bonar Law. This will necessitate Chamberlain's seeking re-election in Birmingham. It is believed that the Labor Party will fight the election, but Birmingham is considered quite a safe seat for Chamberlain. The Speaker of the House of Commons, James William Lowther, is retiring, and it is reported that the Prime Minister has offered the position to John Henry Whitley, Deputy Speaker.

## A BLOODY POLICY.

DUBLIN, March 23. Twenty-four persons were killed and nearly thirty wounded in an ambush reported to-day. The men, to whom the Government attribute the organization of ambushes, have not been captured. Multiplication of ambushes is believed to be largely due to reprisals for recent executions. Sinn Féin is said to regard their men as belligerents, and the execution of those captured as a breach of the laws of war, and punishable by reprisals. The execution of Whelan was followed by the killing of two policemen, in his native town of Clifton. For every man executed vengeance is anticipated, and as the Government has in custody many men liable to the death penalty, and is said to mean to carry out executions, the piling up of deaths on each side is considered here as inevitable.

## A POLISH REPUBLIC.

LONDON, March 23. A wireless despatch received from Berlin gives a Kaptowitz report to the effect that armed Polish bands, in-

Dominion Championship Sports arranged for September 1st, were anticipated by all ranks to class amongst 'the events of the season', but unfortunately the weather proved contrary to our expectations, and we had to postpone the event. Through the kindness of the 'Importers' Association an extra half-holiday was arranged for September 15th, but again we were severely disappointed as the weather proved even worse than before. However, we were determined to run them off, as we had a large sum invested in prizes, and they took place on the 22nd and 23rd September commencing at 4 p.m. and finishing at dark each evening. The Sports were keenly contested and those who attended, felt well rewarded. As regards the financial end, we managed to clear ourselves with a small credit balance which, considering the many obstacles in our path, was very creditable.

On December 10th we ran off a Championship Wrestling Tournament and Boxing Exhibition. It was a decided success both socially and financially, and we trust it will be the forerunner of many more during 1921. To Major Fred Marshall, whose return to our ranks is now assured, the credit of this success must be given and with him as our Gymnasium Captain we predict big things for the C.L.B. Athletic Association and the 'Sporting Community'. In conclusion we wish to thank all the officers and friends who have helped us out during the year, and also take this opportunity of heartily congratulating Capt. Frank Miles and C.S.M. Harold E. Rendell on their 'United States'."

Lieut.-Col. Goodridge then occupied the chair and after congratulating all members on the year's work, conducted the election of officers, which resulted as follows:  
Hon. Pres.—Lt.-Col. R. F. Goodridge, re-elected.  
1st. Vice-Pres.—Major Williams.  
2nd Vice-Pres.—Capt. C. E. A. Jeffery.  
3rd Vice-Pres.—President Old Comrades, H. Pockham.  
Chairman—Rev. (Lieut.) E. H. Fletcher, re-elected.  
Vice Chairman—(Capt. of Gym) Major Fred Marshall, O.B.E.  
Secretary—C.S.M. Bert Colton, re-elected.  
Athletic Committee—C.S.S. Harold E. Rendell, R.S.M. Rowland Williams, Sergt. F. Stone, Sergt. H. Smith, Lieut. Fred Reid, Lieut. Wm. R. Moty, Lieut. Harold Hayward, Captain Frank Miles, Capt. N. Henry (Adjutant).

Speeches were then made by Major Marshall and the newly elected officers, after which the meeting adjourned.

The sporting public will be delighted to know that a large wrestling tournament will be run off about the latter part of April. Mr. Ben Stafford has kindly offered the Athletic Council prizes to the value of \$100 for this event, and with this splendid gift to spur them on it is a foregone conclusion that the tournament will be equal to any ever run off in this country.

cluding regulars from General Haller's army, have crossed the Upper Silesian frontier at some points, and proclaimed a Polish Republic. The despatch adds that Germans are fleeing from the region.

## IN THE COMMONS.

LONDON, Mar. 23. An Irish debate was raised in the House of Commons to-day by Francis Dyke Acland, in appealing to the Government to act with magnanimity before Easter. He advocated the amending of a constituent assembly to choose the form of an Irish constitution. Members, who supported Acland, made much plain for the analogous situation in South Africa. Former Prime Minister Asquith criticized the Government's failure to employ the same vigor in vindicating law in Ireland against Crown forces as against Sinn Féiners, and in a suggestion that the Government again get in touch with representatives of the Irish people, said it was useless to lay down impossible conditions in such negotiations. Replying to Asquith with a statement of the Government in connection with the executions at Mount Joy and elsewhere, as bringing disgrace and shame upon England in the United States, Lloyd George said that two of the men executed at Mount Joy were murderers, and that the other four were engaged in an ambush to kill policemen. They were taken with arms, bombs and soft-nosed bullets in their possession. He gave similar details of the other cases adduced, and argued that Asquith himself could have taken no other course, had he been in power, than the Government had done. On the question of negotiations the Prime Minister announced no new policy. Lloyd George declared he was laboring to the utmost to keep the door of peace and conciliation open, and every Irishman ought to assist.

## NEW LAMP BURNS 94 PER CENT. AIR. Beats Electric or Gas.

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U.S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94% air and 6% common kerosene (coal-oil). The inventor T. W. Johnson, 246 Craig St., West, Montreal, is offering to send a lamp on 10 days' FREE trial or even to give one FREE to the first user in each locality who will help him introduce it. Write him to-day for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.

Two Dollars and thirty-five cents will purchase four dollar value in Men's Shirts at BISHOP'S Men's Wear Dept. during this week, and Men's Working Shirts worth two dollars and fifty cents for only one dollar and sixty, while this shipment lasts.

## Obituary.

**JOHN M. HOLLAND.**  
There passed away at his late residence, 17 Alston St., Somerville, Mass., John M. Holland, who died on Wednesday morning, January 26th after a short illness. The deceased formerly conducted a shoemaking business at 49 New Gower Street, West End, and at one time conducted his business in the Eddy block adjoining the late J. B. Ayre's crockery store, Water Street. He was a well known and respected citizen and prior to his leaving for the States was a member of the Star of the Sea, T.A. & B. and Mechanics' Societies, being one of the oldest members of the last named. For the last two years he had been living with his son Thomas F., at the above address, and did a business at 199 Medford Street, Somerville. The burial took place Friday morning, January 28th, at Holy Cross Cemetery, Malden, Mass. A Requiem High Mass was celebrated at St. Joseph's Church, Union Square, Somerville, by Rev. Father Mullen. To the bereaved we extend our sincerest sympathy.—R.P.

**ELSIE MARTIN.**  
The past week, which has just gone into eternity, has removed a bright young life from earthly scenes to a far sadder clime, where sickness and sorrow are not known. We refer to the death of Miss Elsie Martin, seventeen-year-old and only daughter of Mr. and Mrs. Frank Martin, of Water St. West, which had event occurred at her parents' home on Wednesday night last. A short while ago, mention was made of her being ill, but no one thought that the end to her short career would come so soon. Last year she underwent an operation for appendicitis at the General Hospital St. John's, and it seems, that since then, her health was never fully restored, although she rallied for a time, and all had hoped she was on the road to complete recovery; yet within the last few weeks, her condition changed, and to the grief of her parents and friends she gradually faded until her spirit took its flight heavenward. We trust that the family in this their irreparable loss, will feel the presence of the Divine Comforter very near, who doeth all for the best, and who alone can bind up the broken heart. May they be able to say, "Thy Will be Done."

The funeral took place on Friday afternoon and was a large one, all Elsie's young friends attending, being anxious to pay their last tribute to their departed comrade. Her casket was buried with floral tokens of sympathy. Thus she was laid in the bosom of Mother Earth in the Church of England cemetery there to sleep until that day when—

"We'll read the meaning of those tears.  
Not now, but then, we'll understand."  
The sincere sympathy of the town goes out to the bereaved family at this sad hour of their bereavement.

### Mr. Coaker Might Do It.

Dear Sir—With reference to the Botwood Sealing, Aeroplane, which has done so much regarding the location of the "main patch," and to whom the success of this year's result should be given, does it not appeal to the F.P.U. or some other benevolent society to communicate with the British Government, and endeavour to secure one of two submarines which might be useful in the future?
