

This is Your Opportunity!

I have just received from England a very large stock of materials for Men's Suits and I have bought them at very reasonable prices; and having more stock than I need, I am selling some of these goods by the yard at Cost Price. I have some splendid Blue and Black Serges, prices from \$5.00 to \$10.50 per yard.

THE STOCK MARKET!

Last week's liquidation period seems to have created an oversold condition, and as many of these stocks are now being purchased again, the prices will inevitably advance. If ever securities were a good purchase, surely a period like this is the opportune time. We are equipped to serve you in any capacity, whether buying or selling, and can assure you prompt and efficient executions of your orders.

IDEAL - Arcola Radiator - Boiler

The ideal heat for small homes!

Gives even warmth in whole house—and at small cost

This hot-water heating plant gives healthful warmth to all rooms and requires no cellar or water pressure. Boiler serves as radiator for room in which it stands. Its surplus heat warms three or four other rooms through water circulating through inconspicuous pipes to radiators. Outfit of indestructible cast-iron requires little attention and coal. No danger of fire.

Estimate gladly made for you without obligation.
