Household Hints Worth Knowing

When mixing/blue in hard water it is a good plan to add a cupful of milk to a tub of blue water. This will prevent the linen from blueing unevenly and becoming streaky.

Delicate China can be cleaned best with warm water to which a little Fuller's earth has been added. No soap will then be needed, and this does not remove gilding as does a

#### Important Warning!

There is only one "Congoleum" and ou will know it by the Gold Seal pasted on every pattern, "Congoleum" s a registered trade name and the xclusive property of The Congoleum Company. If you want genuine "Congoleum" take care to ask for it by name and refuse imitations.

The Gold Seal pasted on every Conleum Rug is a guarantee of highest quality and an assurance that you are

getting value for your money. Congoleum Rugs are waterproof, dust-proof and sanitary, they lie flat, will not turn up at the edges, and do not require to be tacked to your floors. At house cleaning time you can take them up in a few minutes. With Congoleum Rugs on your floors, you have no troublesome sweeping or beating to do; five minutes with a damp cloth will suffice to make a Congoleum Rug look like new.

In addition to the above good points, Congoleum Rugs may be had in the nost beautiful patterns and colourings maginable and at quarter the cost of a carpet square. Congoleum Rugs are more stylish than floor canvas: people of refinement prefer Congoleum Rugs. Ask us for the booklet "Modern Rugs for Modern Homes." Bowring Brothers, Ltd.-july16,3i,th
