Meeting of the Dominion Trades and
Labor Congress—Enforcing the
Alien Act.

Quebec, Sept. 3.—The members of the

QUEBEO, Sept. 3.—The members of the Dominion Trades and Labor Congress met in the Montcalm Market Hall yesterday. Before the regular order of business was called a report from the Reception Committee was received inviting the congress to adjourn to the Parliament buildings, as the Prime Minister, Hon. Mr. Mercier, had kindly tendered the large room of the Department of Public Instruction at the disposal of the members, which was unanimously accepted. The congress accordingly adjourned thereto. ned thereto.

adjourned thereto.

Hon. Mr. Mercier, accompanied by Hon.
Charles Langelier and Hon. Peter Mitchell,
paid a visit to the delegates and were received with applause, the members rising.
After an introduction the Premier in the name of the Province of Quebec and the

Resolutions affecting immigration, Chinese and contract labor, eight-hour work day, etc., were referred to the Standing Orders Committee and the congress adjourned

gress adjourned.

QUEBEC, Sept. 3.—At yesterday afternoon's session of the Dominion Trades and Labor Congress resolutions affecting municipal matters and condemnatory of the contract system were adopted. A resolution demanding that the Ontario Legislature pass an act favorable to manhood sufrage was referred back to the Committee on Standing Orders.

It was resolved that the Government be asked to appoint local inspectors in the chief factory centers of Ontario.

The Congress voted sympathy with the eight-hour movement, and expressed the opinion that legislative action thereps was desirable.

opinion that regulative action interpret was desirable.

A resolution passed objecting to the importation of skilled and unskilled labor to enter into competition with the artisan and workingmen of Canada, and asking the Government to cancel subsidies to ateamship companies decoying such immigrants It was resolved that all railway and

telegraph lines should be owned and operated by the Government, and all gas, electric light, telephone and street railway companies. panies and waterworks by the municipa

An express train connectance on the ments be asked to appoint female factory inspectors, and made a good speech in support of it. Carried unanimously.

It was resolved to petition the Dominion Government to prohibit the importation of Chinese labor.

A number of Buffalo workshop living at Fort Eric were prevented from going to work on Wedesaday by the United States marshal. The Alice Act is being more strictly enforced.

Sir Charles Dilke supports the eighthour movement, bus he urges that it he accounted by legislative enactments instead of by trade nerice forces.

The seven tailors charged with assaulting McBain in Windsor will be arraigned in McBain in Windsor will be arraigned before dudge Horo at Sandwich to-morrow.

The trouble between the Windsor journeymen tailors and the boss tailors is becoming interesting. General Sceretary Lemon on Aug. 13 sent \$200 to the union by registered letter, and on Aug. 21, \$150 more. Neither of these letters have been monade or any other cold drink willing the cold received, and Mr. Lemon says that of 6,000 larrhea and all diseases originating from neymen tailors and the boss tailors is becoming interesting. General Secretary Lennon on Aug. 13 sent \$200 to the union by registered letter, and on Aug. 21 \$150 more. Neither of these letters have been received, and Mr. Lennou says that of 6,000 registered letters he has sent out from his office in New-York during his term of effice these are the only ones that have not reached their destination on time. The conspiracy case against the members of the union under arrest involves, it is said, every trade union in Canada, and if the case goes against the

cheese were registered, 2,240 colored, balance white: 2,540 white and colored sold at 52c, and a few lots sold for 913-ide.
