ONE HUNDRED AND TEN GAME SEASON FOR CANADIAN LEAGUE MEETING IN LONDON APRIL 11

Play Will Commence on May 16 and Conclude Sept. 9—Salary Limit of \$1,200 and Fine of \$150 for Overstepping Mark—Fee for National Protection To Be Paid at Once—Bobby Robinson, of Hamilton, Secretary, and Nelson, of Brantford, Treasurer—All Teams Now Ready for Business.

[Special to The Advertiser.]

Brantford, March 23.—The Canadian Baseball League commenced business in earnest at a general meeting held here tonight, but owing to difficulty in securing the proper man for the presidency, this position was left open until the next general session, which will be held at London on the 11th of April.

Mr. Bobby Robinson, sporting editor of the Hamilton Spectator, was elected secretary, while Mr. Thomas Nelson, of Brantford, was named treasurer.

All clubs were represented, with the exception of Guelph, but the supporters of that club telephoned the delegates that anything done would be satisfactory to the Maple Leafs.

The league season will open on May 16 and will terminate Sept. 9. About 100 games will be played. Costello, of Berlin, Walsh, of Brantford, and Robinson, of Hamilton, were named a committee to draft a schedule, which will be presented at the meeting in London.

A salary limit of \$1,200 was decided upon, and any team breaking this rule will be compelled to hand over a fine of \$150. The guarantee to finish the season of \$250 must be in the hands of the treasurer by May 5. The fee of \$25 for National protection must be paid in at once, as the clubs desire to be in a position to do business with players as soon as possible.

REPRESENTATIVES OPTIMISTIC.

The representatives from the different clubs were very enthusiastic, and while it is realized that the first year is always a strenuous one for any organization, it is thought that the class of ball which will be offered will attract large crowds in each city.

All clubs are sure of strong support once that the fans are shown that they are to get their money's worth, so the promoters are banking on the success of the newly-organized circuit from the start.

Guelph is still busy on the local end of the deal, but that town has a fine baseball reputation, and no further difficulty is looked for by the promoters. "Knotty" Lee, who has worked up the whole scheme, is delighted with the prospects.

Following the meeting last night Secretary Walsh wired Ambrose Kane, of the New England League, at Brockton, Mass., for terms to manage the Brantford team. Kane is reputed by "Knotty" Lee to be an experienced catcher, with connection with a lot of promising young material floating around Tim Murray's way. It has been proposed that he collect his team at home and bring them east playing exhibition games on the way.

EMPIRE TEAM IS AFTER CITY TITLE

Brass Men Challenge Winners of Tonight's Final for Westminster Cup.

ST. PETER'S ELIMINATED

Put Out of Running Last Night By Bank of Toronto Crew—Score 8 to 3.

St. Peter's were put out of the running in the race for the city championship last evening by the Bank of Toronto crew in a fast game at Westminster rink, the score being 8 to 3.

Tonight the winners of the match will go into the finals with Dundas Centre, who eliminated Perrins in a match a week ago.

Manager Adair, of the Empire Brass Company, challenges the winner of the game between the Bank of Toronto and Dundas Centre Methodist Church, for the city championship.

"We were told that we would have the right to challenge the winner of the Manufacturers' League for the city championship," said Manager Adair. "We organized to go into that league, but when McClary's dropped out, it was impossible to arrange a proper schedule. Consequently, they told us to play exhibition games, and when the season was over, we could challenge for the championship. We have not been given a chance as yet, but we are going to stick for our rights. If we are not allowed to play the winner, we will claim the city championship. We are not particular about the Westminster cup, but we have the best team in the city, and want to demonstrate that fact."

Philadelphia 6 2 0 0 2 1 1 0 1—7

Batteries—Dugdale, Smith, Clements and Pratt; Beebe, Chalmers and McVeenagh.

OTHER TEAMS WILLING TO CARRY OUT AGREEMENT

Mr. Sovereign, of Y. M. C. A., Again Explains About That Baraca Trouble.

To the Sporting Editor, Advertiser: I noticed an article in your paper written by one who signs his name as a lover of fair play, stating that the Baraca Bible Class basketball team (who claim the honor of being winners of the basketball league recently played at the Y. M. C. A.), were deceived, as individual medals were promised to the association at the present time, and it is for this reason that the physical director of the association would like the public to know the real facts in the case. I am confident that the one who made the aforesaid statement was not at the meeting when the league was organized, or he could not have conscientiously written as he did. There were only three others besides myself present at the meeting, and Mr. Stephens, who represented the medical students, suggested that medals be given to the winning team. As there was no admission charged for the games, it was suggested by Mr. Stephens that each team contribute \$2 towards the medals, and that if there was any more money needed he would give a dollar or two out of his own pocket. I said under these conditions the physical department would stand good for its share, and we are prepared to do so as agreed, and Mr. Stephens informs me that their athletic association also will stand by the agreement. As yet the Baraca who are making such a noise about the matter have not put in their share towards the purchasing of the medals. I would, therefore, ask that this party (who calls himself a lover of fair play), to play fair himself, and not try to stir up unnecessary trouble. Thanking you for your valuable space, Signed,

J. A. SOVEREIGN.

FOUR SOX LET OUT DONAHUE ON LIST

Brinker, Heinrichs, and Reynolds, Others of Quartette, Given Releases.

"JIGGS" FOR HOT SPRINGS
Has a Pool Parlor There, and Will Devote Time To Business in the Future—May Go to Millers.

Oklahoma City, Okla., March 23.—The White Sox Premier moved their camp here from Bowie today, and on their arrival at this bustling metropolis Manager Leach found awaiting him the information, conveyed by word, that President Comiskey agreed with the Sox manager in the exchange of players to remain with the team.

This information was conveyed in a negative sort of way, since it told Manager Hugh that instructions had reached Assistant Secretary (Manager) E. F. Felt to speed four of the players under his guidance on their way back home. The four are Jiggs Donahue, Duke Brinker, T. J. Heinrichs and J. H. Reynolds. The three youngsters deserted go back to the team from which they were obtained with the exception of Heinrichs, and he returns to the same league. Outfielder Brinker reverts to the Vancouver club, from which he was drafted, and to the same club owner for whom he has worked ever since he broke into the professional game. It was his request when he signed a White Sox contract that if he failed to make good he should be returned to Vancouver.

Jiggs Donahue Goes Back.
Catcher Reynolds is returned to the Columbus club, where he has come. Pitcher Heinrichs has been disposed of to the Hamilton club of the Western Canada League. He was obtained from Windpeg in the same circuit.

Jiggs Donahue will return to Hot Springs, Ark., where he has built up a bowling and billiard clientele which prevents his worrying about the future. His failure to come back along with his former sidekick (Donahue was due more to circumstances than to lack of physical ability for he could not combat the fact a right-handed batsman is an imperative necessity on first base as the White Sox at present are constituted.

As Donahue was the property of the Minneapolis club when he quit professional ranks it would have been unnecessary for President Comiskey to make with the Hamilton club in case Jiggs made good with the Sox. He may get a chance with the Sox now that he is unavailable for the job on the south side.

MEN WHO FOUGHT IN DENVER ARE ARRESTED

Jimmy Gardner and Jack O'Keefe Must Explain to Police.

Denver, March 23.—Jimmy Gardner, of Lowell, Mass., and Jack O'Keefe, of Denver, were arrested last night on a warrant issued by the district attorney's office, charging violation of the law against police-baiting.

The warrants were issued at the request of the Christian Citizenship Union. The men appeared before Justice of the Peace Gavin and gave bonds of \$200 each to appear today.

Gardner and O'Keefe were the principals in the main event of a Denver Press Club show Tuesday night.

TWO LEFT IN WOMEN'S CHAMPIONSHIP TOURNEY

Pinehurst, N. C., March 23.—Keen competition ruled today in all divisions of the women's events of the annual United North and South amateur golf championship, in which Miss Ekins and Mrs. William West, of the Huntington Valley, are the survivors in the championship division. Mrs. West advanced on a win from Mrs. J. H. Laham, of Wee-wee, and Miss Ekins defeated Mrs. J. Raymond Price, of Pittsburgh, both scores one up, and the matches ending on the green.

In the second division Mrs. Barbara C. Lewis, of Philadelphia, and Mrs. Thomas G. Cheek, of New York, both won 19-hole matches.

NEW YORK A. C. WINS SWIMMING RELAY.

M'GRAW'S TROUPE BOUND NORTH

Giant Crew Are Hosts at Arlington Ball—The Regulars Get Farewell Trousing.

RAYMOND SHOWS CLASS

"Bugs" Displays Midseason Form and Holds Opponents Safe—Crandall Hits Well.

Marlin, Tex., March 23.—The Giants today bid Marlin an official farewell, although they do not leave the city until tomorrow night.

In the afternoon the colts shut out the regulars by 3 to 0 in a snappy game played for the benefit of the Ladies' Social Club, and tonight the New York boys were hosts at the biggest ball of the season at the Arlington hotel, more than 200 invitations being sent out.

The afternoon was rather chilly, but game, and they saw the best pitched contest that has yet been staged at Emerson Park. There was no scoring after the first inning, when the colts lapped Crandall for three hits and as many runs.

That the regulars did not get any men around the bases was due to the excellent pitching of Raymond and Hendricks. Raymond appeared to be in midseason form and today he held his opponents to four hits in five innings. Crandall was the only regular to get more than one hit. He was up twice and got a single each time. The score:

Colts 3 0 0 0 0 0 0—3
Regulars 0 0 0 0 0 0 0—0

Batteries—Raymond, Hendricks, Hartley and Gowdy; Crandall, Ames, Meyers and Schell.

THE U. OF G. IS BLANKED BY THE HIGHLANDERS

Yankoes Play Errorless Ball Behind Ables, Sykes and Revelle and Blank Collegians.

Athens, Ga., March 23.—The Highlanders had two second-string pitchers and one regular pitcher in against the University of Georgia today, and shut the crack kids out, 7 to 0. Sykes and Revelle were the second-string mound men. The regular was Ables, that dignity having come to the Texan because he is to go north with the first team.

Playing on the college field, a much better one than they have been using, the New Yorks fielded without an error. Only one hit was made off Brannen, that by Chase. Ables struck the side out in the first inning. Brannen made the first hit off the Lone Star State expert.

The New Yorks jarred Cox for three singles and a homer in the seventh, which with a double steal by Elliott and Hepphill and a squeeze play, let in five runs. Benny Kauff, child wonder, made the homer, and the ball is now on its way to Alabama. Tonight several persons mistook it for a meteor.

GRAND CIRCUIT RACING IN THE EAST SEEMS DEAD

Readville Track Owner Says Entries Will Be Difficult to Get.

Boston, March 23.—Grand Circuit racing over the eastern tracks, including Readville, Hartford, Buffalo and Syracuse, seems to be a thing of the past, according to a statement issued today by Andy Welch, owner of the Readville track, and controlling director of Charter Oak Park, Hartford.

Welch, until now an optimist as to the future of racing in the east, in the face of the most discouraging conditions, after a trip through the west, declares that he is fully convinced that unless something is done quickly, racing in the east is doomed.

With Columbus, opposing the eastern tracks, and the western courses permitting speculation, Welch says it will be difficult to secure the entry of high-class horses for the east.

ENGLISH PONIES COMING.

London, March 23.—The steamer Minnetonka, which sailed for New York today, carried 35 ponies to be used by the English challengers for the international polo cup in the coming contest in America.

[Canadian Press.]
Newark, N. J., March 23.—Joe McGinnity, manager and owner of the Newark baseball club, today sustained an accident that may incapacitate the famous pitcher for the coming season. His right wrist, it is believed, is broken. McGinnity was superintending work on the reconstruction of the local Eastern League ball park about noon, when he decided to start up on the pitching arm. A physician who was summoned said that a small bone in the wrist is broken.

20TH CENTURY BRAND

The Style Subject

THE VALUE of good style in the clothes you select cannot be over-estimated. To give clothes that certain touch of correctness which you are desirous of seeing in your garments is distinctly a question of ability on the part of the maker of the clothes. The quality is largely a matter of honesty.

We believe you will get what you pay for, in the matter of fabrics and linings, if you buy clothes of a reliable make, but if you want style combined with quality, it is a question of ability, not honesty. The 20TH CENTURY BRAND tailors have the ability—hence the style you always find in these bench-tailored garments.
