[Special to The Advertiser.]

WOODSTOCK, Sept. 20.—Lieut. Col. Donald M. Sutherland, who went overseas with the 71st Battalion, and, according to recent letters, was transferred to the command of the 22nd, has been severely wounded, according to a telegram received from Ottawa this afternoon by his mother at Norwich.

The message describes his injuries as "gunshot wound, severe," and states that he was admitted to a Red Cross hospital yesterday.

A cable message from Col. Sutherland himself, sent from Paris France, says that he is doing nicely. This is the second time Col. Sutherland has been wounded.

He originally went to the front as a major with the 1st contingent. He was invalided home in the spring of 1915. He accepted the command of the 71st Battalion last winter.

LEUT.-COL. CAMPBELL. MONTREAL, Sept. 20.—Lieut.-Col. R. P. Campbell, M.D., whose name appeared in this morning's casualty list, as killed at the front, was a well-known physician in this city. He was a son of the late Rev. Prof. John Campbell, and was born in Montreal in 1876. He went to England in 1914 with the first Canadian expeditionary force, attached to No. 1 Canadian Hospital. Later he returned to Canada to command No. 6 Ambulance Corps. C. E. F., which left for England in May, 1915.

### CALGARY LAWYER LOSES LIFE.

## 25 CARS OF AUTOMOBILES ARE DAMAGED IN DETROIT

Blaze in Pere Marquette Yards—General Alarm.

[Special to The Advertiser.]

DETROIT, Mich., Sept. 20.—Damage estimated at \$40,000 was done to 25 freight cars, containing automobiles and other merchandise, when a fire of unknown origin suddenly blazed up at the Pere Marquette Railroad yards on Twelfth street at 9:29 o'clock tonight. The blaze was intensified and gained instant headway by the explosion of large quantities of gasoline that were stored in one of the cars. An engine in the yards heard the explosion and immediately turned in an alarm. Fire engines were at the scene within fifteen minutes after the alarm was turned in, but the blaze had spread so rapidly that a second alarm had to be sent in, and then a general alarm. It was not until 11 o'clock that the fire was under control.

## ONE HEART IN FRANCE RESULT OF THE WAR

Premier Briand Says There Will Be No Political Strife.

PARIS, Sept. 20.—"Don't be pessimistic about French politics after the war," Premier Briand is quoted by Arthur Meyer in the Gaulois as saying to some newspapermen who expressed anxiety as to the turn political events might take.

"When peace has been declared," continued the premier, "we shall have won a victory over ourselves, as we shall have won it over the Germans. It is always possible to come to an understanding with Paris. As to the provinces, you know I have sources of information. Well, I can tell you that the spectacle they offer is admirable: no more divisions nor local tyrannies; no more hatred of church and state. There is only one heart, there is only one France."

### POPE'S HEALTH NORMAL

Doctors That He Is Indisposed Are Untrue.

ROME, Sept. 19.—Via Paris, Sept. 20.—A report is being circulated that the pope was indisposed. It was said at the Vatican today that the health of the pope was normal, notwithstanding the strain imposed by his arduous labors during the war, which have added greatly to the burden of the administration of the church under ordinary conditions. Pope Benedict received seven persons in private audience today and several hundred in a collective audience.

### JUST LIKE ICE.

ATHENS, Tuesday, Sept. 19, via London, Sept. 20.—The diplomatic representatives of the Entente powers condemn their policy of not recognizing the existence of the new cabinet of Premier Kallagropoulos by abstaining from paying a formal visit to the new minister.

King Constantine this morning discussed the question of furthering decisions by the new cabinet, in the hope of breaking the glacial silence of the Entente and resuming the negotiations for the entrance of Greece into the war.

## ONTARIO BREWERIES CAN DELIVER GOODS RIGHT INTO HOUSES

Provincial License Board Is Convinced That This Analysis of New Law Is Correct—Chairman Sees New Game.

### TORONTO, Sept. 20.—The provincial

license board learned today from Eudo Saunders, K.C., and eminent counsel associated with him in a legal analysis of the new temperance act for the board, that liquor can still be delivered direct from the breweries and other places authorized to store it, to the homes of householders in any quantity required.

Such liquors, however, must be

ordered via points outside of the province.

It has come to the notice of the board, however, that plans are on foot to establish former shopkeepers as carters or delivery agents, permitting them to continue business as agencies.

Chairman J. D. Flavell announced emphatically today that any attempt to follow this plan would be immediately tested in the courts on the ground of solicitation by agents.

## Berlin Says Allies Lost 500,000 Men in Somme Battle

BERLIN, Sept. 20.—Via Sayville.—British and French losses in the battle of the Somme have reached 500,000 men, according to the claim of the Overseas News Agency.

"Recent local successes obtained by the British on the Somme are heralded by the English press as great victories and even occasioned a special message from King George to the British commander, General Sir Douglas Haig," says the news agency. "It is said the British occupied the villages of Fiers, Martinpuich and Courcelles in the first day's fighting, although it had been planned to take them in the course of four days of battle."

The price paid for this territory is appalling. According to a conservative estimate the British lost 350,000 men up to September 15. This, together with the French losses, brings up the total to about half a million men.

## BRITISH CAPTURE HUNDRED PRISONERS IN LAST 48 HOURS

General Situation Is Reported as Unchanged.

## HEAVY RAIN AGAIN FALLS

Two Hundred Yards of German Trenches Taken South of Arras.

LONDON, Sept. 20.—Heavy rain has again fallen on the British front, north of the Somme, and tonight's official report says the general situation remains unchanged. Yesterday, however, the British undertook an enterprise in a new quarter, capturing 200 yards of German trenches south of Arras, about twenty miles north of the scene of conflict of the Somme.

The official statement from general headquarters issued tonight reads: "Heavy rain has again fallen today. The general situation remains unchanged. There was considerable hostile artillery activity on the battlefield south of the Ancre. On the rest of the front there is nothing to report."

Over 100 Prisoners.

"During the last 48 hours over one hundred prisoners have been taken."

The statement issued this afternoon says:

"The general situation is unchanged. South of the Ancre the enemy after preliminary bombardment made determined counter-attacks during the night, which were repulsed."

Ammunition Exploded.

"Two hostile gun emplacements have been destroyed by our artillery and an ammunition store has been exploded."

"A successful minor enterprise was carried out yesterday south of Arras, 200 yards of the enemy's trenches being cleared and casualties being inflicted."

"Yesterday afternoon the enemy exploded a mine near Souchez. No damage was done, and we occupied a lip."

"A captured document signed by Gen. von Falkenhayn while chief of the German general staff, dated August 24, states:

"The wastage of guns in the last few months has been considerably in excess of production."

"The same is true of the ammunition in our reserves of which there has been a serious diminution. It is the duty of all ranks—not only in the artillery—to endeavor to remedy this serious state of things. All ranks must make a most serious endeavor to assist in the preservation of material as indicated above, for otherwise making good the losses and placing new formations in the field will be rendered impossible."

RETAILIARY LEGISLATION WILL BE INEFFECTIVE

Measures Adopted by United States Congress Difficult to Enforce.

WASHINGTON, Sept. 21.—Intensive study of the retaliatory legislation passed in the last hours of Congress has convinced allied diplomats and some state department officials that part of the legislation is unenforceable, part of doubtful legality, and the balance is so broad that only the most careful administration will prevent entirely unforeseen complications.

White secretary of State Lansing declined today to indicate what conclusions he had reached regarding the legal features of the retaliatory measures, and pointed out that the powers they confer on the president were for use only as a last resort, it was apparent that some uncertainty had developed over the manner in which provisions for refusing clearance to ships discriminating against American goods and for laying retaliatory trade embargoes could be put into effect.

One allied diplomat declared the practice of letting out cargo space on time charter would relieve a large percentage of allied shipowners from any possibility of their ships being held up, and that any attempt to detain a ship for refusal to accept American goods would be in violation of treaty agreements.

## ACCIDENTS FURNISH THRILLS FOR FINAL STRATHROY FAIR DAY

Boy Kicked in Stomach in Stock Parade.

### COLLISION OF SULKIES

Largest Crowd Ever Seen at Exhibition, With Ideal Weather.

[By Staff Reporter.]

STRATHROY, Sept. 20.—The Strathroy fair again had the ear of the weatherman, and the last day of the exhibition was better than the previous days, which is handing out the praise with a somewhat lavish hand. It was ideal and the crowd was large. There was plenty of entertainment, there being something happening every minute.

The stock parade, which the prize winners, was quite the feature. It was a delight to the eye to see so many splendid animals at a county fair. Middlesex is noted for fine stock, and the parade gave visitors an opportunity to see the best. The horses were particularly fine, the lighter breeds being much in evidence.

Lad Kicked in Stomach.

An accident marred the parade, however. William Roberts, a young lad, a home boy employed by J. Dwyer, Adelaide, was leading a yearling into the ring when it turned suddenly and kicked him with both feet in the stomach. It was thought for a time that he was fatally hurt, but after Dr. Bateman and others had worked over him for a time, he rallied. Unless internal injuries develop he will recover.

Driver Is Thrown.

The trotting races also provided a thrill. Zeke Mackay was driving Tory Bars in the 2:25 class when he collided with the sulky of Donnie Boy, throwing him to the track. He managed to alight on a soft spot, and other than receiving some bruises escaped serious damage. The horse paced twice around the track in spite of the efforts of some men to stop him, and when he had finished his mile stop and allowed himself to be caught.

Boys' Good Showing.

One of the most interesting exhibits on the grounds was that of the junior agricultural societies of Strathroy and Mount Brydges. The boys took courses last winter and this fall. They exhibited the results in grains and fruits. The Strathroy boys had a pumpkin weighing 12 pounds, but the Mount Brydges boys had a 15-pounder. The boys would do justice to older exhibitors, even professionals.

The music was furnished by the Galt Klitsch band, and was a fine program. Duncan G. Ross, M.P., and J. C. Elliott, M.P., were among the distinguished visitors on hand.

Free-for-All.
