Third Attempt To Conquer Mount Everest Ends In Failure As Two Perish

YOUTH IS GIVEN SHORT SENTENCE

Magistrate Is Lenient and Gives Offender Chance To Make Good.

CHARGE OF THEFT

Although he never says much about it, Magistrate Graydon is always anxious to give young criminals every Company of Thirteen Advenchance to make good. A thin little chap of 16, Charles Wood, pleaded guilty last week in police court to two charges of breaking and entering the warehouse of McMahen &

stable Alexander Towle, was allowed A. C. Ervine. to go on suspended sentence after a severe lecture by the magistrate in

men started out from Darjeling, The fact that the boy had apparently been deserted by his family and British India, for the conquest of the left to his fate seemed to weigh con- peak. Of the party, six men were Colley carried the Liberal banner to siderably with the magistrate and veterans of the 1922 attempt. The ossibly had a lot to do with the other seven never before had made victory in Kamloops Mr. Essery stated Shaw met Wood an effort to climb the mountain.

and was asked by Wood to help him the expedition was better fortified take some things home.

"He might be charged with stealing. I fancy he knew it was stolen property," observed the court.

"I told the boy he shouldn't have done it and I gave him a good dressing down," replied Mr. Essery.

Wood stated he wanted the stuff.

When the expedition was better forthed that the forting them for tackling them either of the two for tackling them effore, as the members were of the opinion that they would be able to take advantage of many things they had learned in previous failure.

Brigadier-General C. G. Bruce Briga

done it and I gave him a good dressing down," replied Mr. Essery.

Wood stated he wanted the stuff for himself, but the court did not believe this, pointing out that he could hardly wear nine pairs of cuff buttons, six sweaters, 13 shirts, etc.

Crown Attorney Judd, who prosecuted the case, stated Wood worked for a firm close to McMahen & Granger at one time and was therefore quite familiar with the layout of the reaching to the reaching the reaching the reaching the reaching the reaching the restrictions of the independents in the house in any move that might threaten its existence. The Liberals did not oppose Major Burde, elected as an independent in Alberni, nor did it oppose the return of Paul Harrison, Independent Liberal in Comox. Thomas Uphill, Labor, elected in Fernie, has also given the government support on most occasions.

Granger at one time and was therefore quite familiar with the layout of the place.

Held Little Hope.

"I can't hold out much hope but a term of imprisonment," said the magistrate to Wood before leaving the bench to talk to Shaw's father.

Last year he came to the United States and delivered a series of lectures on the climb, the proceeds gotten and the racefied atmosphere.

Mr. Mallory, who is reported to have been killed, also was attached to the 1922 attempt to climb to the summit. He was badly frostbitten. Last year he came to the United States and delivered a series of lectures on the climb, the proceeds gotten the government support on most occasions.

Complete returns from the large ridings in the north, with their scattered polls, will probably not be available until Monday.
