## You Won't Cough After Taking Dr. Wood's Norway Pine Syrup

On the first appearance of a cough or cold do not neglect it; get rid of it at once before it has a chance to grow worse and gets settled on the lungs, causing bronchitis, pneumonia, or other serious lung troubles.

In Dr. Wood's Norway Pine Syrup you will find a remedy that will relieve the cough or cold on its first inception by soothing the irritation, and healing the diseased lining of the lungs and bronchial tubes.

Mrs. Percy McRae, Little Shomog, N. B., writes "Three years ago I had the 'Flu' which left me with a very bad cough. I tried different medicines which did me no good, so I took Dr. Wood's Norway Pine Syrup. It relieved me of that awful cough in a short time."

"Dr. Wood's" is 35c and 60c a bottle at all dealers; put up in a yellow wrapper; three pine trees the trade mark; manufactured only by The T. Milburn Co., Limited, Toronto, Ont.—Adv.

That's lumbago, sciatica, or maybe from a strain, and you'll get relief the moment you rub your back with soothing, penetrating St. Jacobs Oil. Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on your back, and out comes the pain. It is harmless, and doesn't burn the skin. Lumber up! Don't suffer! Get a small trial bottle of old, honest St. Jacobs Oil from any drug store, and after using it just once you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt, or cause any more misery. It never disappoints, and has been recommended for 60 years.—Adv.
