BREAKFAST.

By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selgsted Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may begradually fuilt up until strong enough to resiste every tendency to disease. Hunareds of subtermaladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well 5 rtitled with pure blood and a properly nourished frame."—Civil Service Gazette.
