HEALTH where 'tis SOUGHT!

Holloway's Pills. CURE OF A DISORDERED LIVER AND STOMACH, WHEN IN A MOST HOPELESS STATE. Extract of a Letter from Mr. Matthew Harvey, of Chapel Hill, Ayrshire, Scotland, dated the 15th of January, 1850.

Sir—Your valuable Pills have been the means, with God's blessing, of restoring me to a state of perfect health, and at a time when I thought I was on the brink of the grave. I had consulted several eminent doctors, who after doing what they could for me, stated that they considered my case as hopeless. I as a last resource got a Box of your Pills, which soon gave relief and by persevering in their use for some weeks, together with a blinding night and morning your Ointment over my chest and stomach, and right side, I have by their means alone got completely cured, and to the astonishment of myself and every body who knows me.

MATTHEW HARVEY. CURE OF A CASE OF WEAKNESS AND DEBILITY, OF FOUR YEARS' STANDING. Extract of a Letter from Mr. Smith, of No. 5, Little Thomas Street, Gibson Street, Lambeth, dated Dec. 12th, 1849.

To Professor Holloway, you that for nearly five years I hardly knew what it was to have a day's health suffering from extreme weakness and debility with constant nervous headaches, giddiness, and sickness of the stomach together with a great depression of spirits, I used to think that nothing could benefit me as I had been in many, medical men some of whom after doing all that was in their power to relieve me, considered that I had a incurable spinal complaint beyond the reach of cure, together with a very disordered state of the stomach and liver, making my case so complicated that nothing could be done for me. One day being induced by a friend to try your Pills, I sent you a trial, and resolved to give them a trial, more perhaps from curiosity than with a hope of being cured, however I soon found myself better by taking them, and so went on persevering in their use for six months, when I am happy to say they effected a perfect cure.

(Signed) WILLIAM SMITH. CURE OF ASTHMA, OF TWENTY YEARS' STANDING. Extract of a Letter from Mr. J. K. Heydon, 78 King Street, Sydney, dated 10th of November, 1849.

To Professor Holloway, Sir—I have the pleasure to inform you that my extraordinary cure of Asthma has been effected here by means of your Pills. One is that of a Lady residing near the "Razorback," who after having for twenty years been unable to perform the slightest exertion, suffering from fearfully from shortness of breath, coughing, and spitting, but is now, to use her own expression, able to run up to the top of the mountain, and is now the wife of Mr. C. Taylor, Hutchinson's Buildings, Clarence Street, who was so dreadfully bad that he was confined entirely to his bed-room for six months, prior to his commencing with your Pills, and attended regularly by his medical man, who pronounced him to be in a dying state, yet he, likewise, by my knowledge, has been restored to perfect health by the use of your Pills, and rubbing your Ointment night and morning into his chest.

(Signed) J. K. HEYDON. ANTONISHING CURE OF THE EARL OF ALDBOROUGH. By this Miraculous Medicine! after every other means had failed!

A Copy of a Letter from the Earl of Aldborough dated 11th March, 1849, is published in the Standard, 21st Feb. 1845. Sir—Various circumstances prevented the possibility of my thinking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent had not been able to effect; nay! not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Pot of Ointment in case any of my family should ever require either.

I remain, with much respect, Your most obliged and obedient serv't. (Signed) ALDBOROUGH. THE PAST AND THE FUTURE. The most extraordinary of the past fifty years, of the English race during the last century. Not only in population, but in importance have the English people, but especially in social condition of the world, once the peculiar to the great bulk of the United States, within the increased its resources, by mand a far greater supply of employment, with a less exertion than heretofore.

This great change is the result of the great agencies at work in the world. The population has been gradually increasing, and the world has been enabled to a certain extent to supply the demand for the increased supply of the world, once the peculiar to the great bulk of the United States, within the increased its resources, by mand a far greater supply of employment, with a less exertion than heretofore.

Fifty years ago, the world was a very different place from what it is now. The population was much smaller, and the world was much less civilized. The world was much less civilized, and the world was much less civilized.

What mighty changes have disclosed. Fifteen hundred years ago, the world was a very different place from what it is now. The population was much smaller, and the world was much less civilized. The world was much less civilized, and the world was much less civilized.
