

LETTER FROM THE EDITOR.

It is not the fashion of the day, to walk in the streets...

Just look, if you please, at its elegant homes...

It is marvellous how fast by the aid of our drains...

Even now, when the waves of Ontario roar...

But of this is not all that has been made...

The Hosiers for instance, which a few years ago...

Nor did you then think that the terms were hard...

When you call at Mc DONALD'S it is but to try...

These three story houses, with the front painted white...
