Tobacco Poisoning in Infants

An American contemporary calls attention to the likelihood of the infants of the poor being poisoned by having to inhale an atmosphere saturated with tobacco smoke. With the limited accommodation at their disposal, it is quite conceivable that men after coming home from work, and in the early morning, poison the air of the room in which the family live. A correspondent goes so far as to say, indeed, that he has met with many such cases, the correctness of his diagnosis being proved by the recovery of the infants when the cause was suppressed. Infants a few days old are naturally very sensitive to the effects of a pollution which would inconvenience even grown up persons, and although there is a tendency for tolerance to be established, it can only be at the expense of health. The symptoms are, loss of appetite, sunken eyes, listless ways and restless nights, with nausea and vomiting. It would perhaps be as well for medical men practicing in the poorer districts to bear this possibility in mind—Medical Press and Circular.

That this eager world moves along so steadily, that it has so few catastrophes, that so large a part of its people are born correctly and live in peace and die in loving homes, is no small proof that religion is wielding an undiminished, rather a steadily increasing influence.—The Advance.

Severe Diarrhoea Cured.

GENTLEMEN: I was troubled with chronic diarrhoea for over three years and received no benefit from all the medicine I tried. I was unable to work from two to four days every week. Hearing of Dr. Fowler's Extract of Wild Strawberry, I began to use it. And now all right. JOHN STILES, Bracebridge, Ont.

A New Book by the Author of "Ben Hur."

THE PRINCE OF INDIA

OR WHY CONSTANTINOPLE FELL.

BY General Lew Wallace.

Cloth, 2 Vols., - \$2 50.

LIKE "Ben Hur," this new story is an historical romance. The story begins in 1397; its continuous movement, however, is in a period from 1443 to 1453, the date of the conquest of the old Byzantine Capital by Mohammed II. The assault and sack of the city, and Mohammed's entry in Sancta Sophia (the final degradation of Christianity in the east), forms the catastrophe of the book. Speaking generally, the book is a tale of love, war and religion. The incidents are natural, rapid in occurrence, astonishingly varied, and from first to last subservient to the catastrophe. While Minister to Turkey, General Wallace was afforded excellent opportunities for the collection of those materials which he has woven into romance, and in "The Prince of India" the result appears in all the realism of a style which gave to "Ben Hur" such remarkable popularity.
