## CAMPBELL'S

# TONIC ELIXIR

This agreeable yet potent preparation is especially adapted for the relief and cure of that class of disorders attendant upon a low or reduced state of the system, and usually accompanied by Pallor, Weakness and Palpitation of the Heart. Prompt results will follow its use in cases of Sudden Exhaustion arising from Loss of Blood, Acute or Chronic Diseases, and in the weakness that invariably accompanies the recovery from Wasting Fevers. No remedy will give more speedy relief in Dyspepsia or Indigestion, its action on the stomach being that of a gentle and harmless tonic, exciting the organs of digestion to action, and thus affording immediate and permanent relief. The carminative properties of the different aromatics which the Elixir contains render it useful in Flatulent Dyspepsia. It is a valuable remedy for Atonic Dyspepsia, which is apt to occur in persons of a gouty character.

For Impoverished Blood, Loss of Appetite, Despondency, and in all cases where an effective and certain stimulant is required, the Elixir will be found invaluable.

In Fevers of a Malarial Type, and the various evil results following exposure to the cold or wet weather, it will prove a valuable restorative, as the combination of Cinchona Cassaya and Serpentina are universally recognized as specifics for the above-named disorders.

Sold by all Dealers in Family Medicines.

### CATARHES, CATARRHES, DEAFNESS AND HAY FEVERS.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has shown this to be a fact, and the result is that a specific remedy has been formulated whereby Catarrhal deafness and hay fever are cured in from one to three simple applications made at home. Promptly explaining this new treatment is sent free on receipt of stamp, by A. H. Dixon & Son, 315 King Street West, Toronto, Canada.—Christian Standard.

### Scientific and Useful.

**KING'S PUDDING.**—Beat six eggs; add one quart of sweet milk, one pound of white sugar, one dozen of soda crackers, cut in very thin slices and a little salt. Spice to taste. Bake about two hours.

**HARD SAUCE.**—One large cup of powdered sugar, whipped to a cream with two tablespoonfuls of butter, one great spoonful of currant jelly, beaten in well, as much cinnamon as will lie on a half dime; when mixed, heap on a saucer or glass dish and set in a cool place to harden.

**JOYFUL NEWS.**—It is certainly glad tidings to the poor invalid to be informed of a remedy that will give prompt and sure relief in case of painful suffering. Such a remedy is Haggard's Yellow Oil, adapted for internal and external uses in all aches, pains, lameness and soreness. It cures rheumatism, neuralgia, sore throat, croup and all inflammatory pains.

**CHICKEN JELLY FOR INVALIDS.**—To a quart of cold water put half a raw chicken cut up fine; let it stand an hour, then boil it slowly till it is reduced to half the quantity; season with salt, and pepper if allowed by the doctor. Strain it through a colander first, then through a cloth into a mould.

**COTTAGE PUDDING.**—Rub three tablespoonfuls of melted butter with one cup of white sugar, add one or two beaten eggs and a light pint of flour with three teaspoonfuls of baking powder sifted through it, then add one teacupful of milk. This makes a thin batter, but it comes out a nice loaf. Serve with wine or vanilla sauce. It is also very nice eaten with sweet cream.

**A CURE FOR DRUNKENNESS.**—Opium, morphine, chloral, tobacco and kindred habits. The medicine may be given in tea or coffee without the knowledge of the person taking it, if so desired. Send 6c in stamps for book and testimonials from those who have been cured. Address M. V. Lubon, 47 Wellington Street East, Toronto, Ont.

**CARROT PUDDING.**—One pound of boiled and mashed carrots, one pound of flour, one half pound each of suit, raisins and currants, one-quarter of a pound of citron and a little salt. Mix and tie in a cloth, and boil two hours or more. As this recipe includes neither milk nor eggs, when mixed it is as stiff as a loaf of bread, and should be made in form to boil. The sauce.—One cup of sugar, one-half cup of butter, hot water sufficient to melt them, and flavour to the taste.

**FAVOURITE MINCE MEAT.**—Three pounds of cured tongue, three and a half pounds of suet, six pounds of apples, three pounds of raisins, three pounds of currants, three pounds of brown sugar, one-quarter ounce each of mace, cinnamon and cloves, two nutmegs grated, six ounces of citron, a few blanched almonds moistened with rose water, the juice of four lemons and grated rind of three, and one quart of cider. The spices must be ground, and the other ingredients finely minced. Should fresh tongue be used, salt must be added.

**HE SHOOK IT.**—"I was subject to ague for two or three seasons, which nothing would eradicate until I tried Burdock Blood Bitters, since which time, four years, I have had no return of the disease."—W. J. Jordan, Strange, Ont.

**BREWS.**—One cupful of very fine, dry crumbs, those made from crusts and odd slices of bread dried in the oven, then crushed with a rolling pin, are best; one pint of hot milk and half as much boiling water, one full teaspoonful of butter and a scant one of salt, white of an egg, beaten light. Soak the crumbs in the boiling water ten minutes, and stir into the salted milk. Simmer together five minutes, add the butter, stir for two minutes, cover and leave on the fire three minutes longer. Take from the stove, beat in the whipped whites, and send to table in a deep dish. Eat with cream and sugar.

**RAISED MUFFINS.**—Two cups of milk, a teaspoonful of lard or butter, three cups of flour, half a yeast-cake; a teaspoonful of salt sifted with the flour; heat the milk; stir in the shortening, and when blood warm add half the flour and beat hard for three minutes; let it rise in a moderately warm place all night; in the morning work in the rest of the flour and the salt; make into balls, and let it rise in greased muffin rings; set on a floured board. When light slip a cake turner under each and transfer to a hot griddle, well greased.

**Horsford's Acid Phosphate.**  
Beware of Imitations.

Imitations and counterfeits have again appeared. Be sure that the word "Horsford's" is on the wrapper. None are genuine without it.
