FORM OF BEQUEST.

"I leave and bequeath the sum of,—(the amount to be written in words, not figures)—to the Fund of the Presbyterian Church in Canada,—(here state either Eastern or Western Section)—and I declare that the receipt of the Treasurer for the time being, of the said Fund, shall be a good and sufficient discharge to my Estate and Executors.

O, the pity of starved souls! Not meagreness of food and raiment, but meagreness of soul is the real tragedy of life. Soul hunger is the commonest and the greatest of ills. Not all the jewels or broadcloth that can be put on a body, and not all the dainty viands that can be put into a body, can give fatness to a thin soul. Sustenance and satisfaction for these starving souls can be found only in the Bread of life. Nowhere else than in Jesus can fullness of life be obtained. So long as we are without Christ we are certain to be in greatest want.
