"Insurance Costs Nothing"

Halifax, N. S., Feb. 11th, 1901.
North American Life Assurance Co.,
Toronto, Ont.

Gentlemen—I am in receipt to-day of
your cheque for \$1,140.39 in payment of the
premium value of my policy in your com-
pany. I took out this policy in 1891 for
\$1000 upon the 10 year Endowment. Sent
Twelve 10 Year Period Plan. I have re-
ceived from the company every dollar 1
to \$100.39 profit or interest upon my
ten years not only cost me nothing, but
I am \$100.39 better off on account of hav-
ing taken out the policy. Had I died
during the ten years my estate would have
received \$1000, the face of the policy.

Yours very truly,
E. G. SHANNON.

Intending insurers who would like, ten
years hence, to be in the same position
sure in a company whose appropriate
trademark is "Sold as the Continent"
and whose landmarks are solidly, stabi-
ly and permanent.

Tired of being obliged to stand daily
in the crowded trenches, a business
man called at the office of the com-
pany one day and expressed his senti-
ments in plain and vigorous terms.

"Who are you, that you come here
and talk to us like that?" asked one
of the officers of the corporation. "Are
you a stockholder?"

"No, sir!" he thundered. "I'm one
of the strapholders!"—Youth's Com-
panion.
