COME AND SEE THE FREE TRADE HOUSE, No. 2, St. Lawrence Buildings, Toronto.

ONE of the first principles of "DOMESTIC ECONOMY," is to buy in the Cheapest Market, and is universally practiced by all "ECONOMICAL HOUSEKEEPERS," and the Free Trade of the present day.

ROBERT SARGANT & CO. Offer to the Public of Toronto, and the surrounding Country, an extensive and well-assorted Stock of Household Stores, all of which will be found fully equal in Quantity to the first London and New York Establishments, and at a considerably Lower Price than any House in this Locality.

The present system of "Puffing alias Lying," is here repudiated; and R. S. & Co. (in keeping to the old adage, "Honesty is the best policy") have every confidence in giving universal Satisfaction to those who may favor them with their Patronage, thereby giving greater publicity to their capabilities for promoting the best interests (the Pockets) of the People.
