

LIFE!

Would you like, while you have life, to make sure beyond the shadow of a doubt that loved ones, who will be dependent upon the estate you leave, shall have *something which cannot be swept away* on your death? The North American Life gives all that's best in life insurance, which is absolutely the only kind of property the law protects for "Preferred Beneficiaries." Write for information and let us or our agents, who are almost everywhere, explain a plan to meet your needs.
