Remit by postal order to MUNN & CO., Publishers, 37 Park Row, New York.

PATENTS.

In connection with the Scientific American Messrs. MUNN & Co. are Solicitors of American and Foreign Patents, and have the largest establishment in the world. Patents are obtained on the best terms. Models of New Inventions and sketches examined, and advice free. A special notice is made in the Scientific American of all inventions patented through this Agency, with the name and residence of the Patentee. Public attention is thus directed to the merits of the new patent, and sales or introduction often effected.

Any person who has made a new discovery or invention, can ascertain, free of charge, whether a patent can probably be obtained, by writing to the undersigned. Address for the Paper, or concerning Patents.
