Mercantile Summary.
 THE WHOLESALE boot and shoe establishment
 of Messrs. Romaine & Co. of Montreal have
 assigned.
 AT A meeting of H. R. Ranney's creditors in
 St. John, N. B., the direct liabilities were stated
 at \$115,146, and the indirect \$6,000; the assets
 are placed at \$47,834. The estate is to be
 wound up. At a meeting of Mr. John Craw-
 ford's creditors in the same city, an offer was
 made to pay 100 cents if three years time were
 allowed, but not accepted by the meeting.
 WE WERE made to say last week in referring
 to the remarkable ease with which credits are
 now obtained abroad, that goods are often used
 as "bribes." The word "kites" was intended;
 and the special idea had in mind was that since
 the opening of the Suez Canal and the Pacific
 Railway route the East, the procurer of credit
 has been able to get goods and dispose of them
 two months at least before the drafts drawn in
 the East have to be provided for in London.
 Although time of transit has been greatly
 lessened, the currency of the drafts drawn has
 not been shortened from the old term of six
 months.
