G. H. WALKER

PANTS A SPECIALTY

SUCCESSOR TO R. C. WATERSON

126 and 128 YONGE STREET

Merchant Tailor

IT AFFORDS me pleasure to inform you that I have purchased the business of my late employer, Mr. R. C. Waterson, and take this opportunity of soliciting a continuance of your esteemed patronage.

My desire is to give that satisfaction which will be appreciated by you, and with a carefully selected stock of Spring Woollens, together with my personal supervision over cutting and making of all garments, I trust to maintain that reputation which only the execution of first-class work will permit.

We have just opened a choice purchase of **Scotch, Irish and English Tweed Suitings** which we are offering at **\$18 to \$22**. Our **West of England Worsted** for Pantings at **\$4** cannot be surpassed in the city. An inspection of our Stock is cordially invited.

We make special terms for students.

We rent dress suits.
