## THE CENTRAL STATION

DEMONSTRATES ITS WORTH  
FOR POWER SERVICE

From economy to reliability—through every step of production, power from Central Station excels. To-day, particularly, with coal prices doubled and other commodity costs correspondingly high, Central Station Power is unparalleled from the standpoint of economy.

Why don't you take advantage of the experience of our power engineers—the information they can give you.

## Music in the Home

IS a National necessity. If you are desirous of doing your biggest "bit" that is within your power, you need music, your whole family needs it. There is nothing that brings the whole world of music into your family so completely, and at so small a cost, as a Pathephone and a few Pathe records.

We offer you this handsome Cabinet Pathephone, with ten 10-inch, double-sided Pathe records (20 selections), your own choice, for \$146.50; \$35 cash and then \$12 a month. The Pathe plays all standard makes of records. The Pathe sapphire ball point does away with the bother of changing needles. Let us demonstrate this Pathephone to you.
