

WHAT MEN OF ACTION SAY.

(Some typical extracts from letters).

(48) RIFLEMAN L. SERVANTE, K.R.F., B.E.F.

"When I felt at all run down, a dose of Phosferine soon picked us up again. It prevented a slight cold developing into something worse, and cured many a toothache."

(33) PRIVATE L. CARTER (late), R.B.R., B.E.F.

"I suffered from shell-shock, and had five operations, finally having to have the left forearm amputated. I felt very shaky with my nerves in civilian life, but I was better directly I started to take Phosferine, and now I never do without it."

(17) GNR. H. SUMMERS, S.A. HEAVY ARTILLERY, B.E.F.

"Heaps of chaps get knocked out by shell-shock, etc.; I have never felt a bit the worse, thanks to Phosferine; and I never suffer from toothache, colds, indigestion, sciatica, nervous headache, etc."

(51) GUNNER H. O'SULLIVAN, R.F.A., B.E.F.

"When I was on the nerve-racking Somme front I was greatly relieved by Phosferine. After coming out we were rushed to Italy, and I soon got the 'flu,' but quickly got rid of it, because I did not forget Phosferine."

(74) GUNNER J. PHILLIPS, R.F.A., B.E.F.

"I was physically tired out, but Phosferine did me so much good that I wouldn't be without it for worlds now. I have improved so wonderfully in health."

(67) FITTER H. MACDONALD, A.O.C.

"I had bronchitis, and I could receive no benefit from hospital treatment. I therefore tried Phosferine, and such good effect did it have that by the time you get this letter I shall be back to my old form again."

All these dauntless fighters exemplify the great part Phosferine plays in enabling them to overcome suffering and the most extreme exertions. No special effort exhausts the energy of these valiant men, no extra hardships break down their endurance, because Phosferine recharges their systems with the vitality to survive all the rigours daily experienced.
