

EDITORIAL NOTE
 The present volume, the fifteenth in the Canada and the United Nations series, reports on the work at the United Nations during the second part of the fifteenth session, held from September 15 to December 30, 1951, and other activities of the United Nations and specialized agencies during 1951. The third special session of the General Assembly, which was called to consider the situation in Korea, will also be covered in this report. The agenda of the sixteenth session will be found in Appendix I.

Listed below are references to the files during which the session sessions of the General Assembly met.
