

- (b) Each side shall comply strictly with the timetable jointly agreed upon between the parties for the execution of all operations connected with the cessation of hostilities.

Article 3

All operations and movements connected with the execution of the cessation of hostilities must be carried out in a safe and orderly fashion.

- (a) Within a number of days to be determined by the Commanders of both sides, after the cease-fire has been achieved, each party shall be responsible for removing and neutralizing mines, booby traps, explosives and any other dangerous devices placed by it. Should it be impossible to complete removal and neutralization before departure, the party concerned will mark the spot by placing visible signs. Sites thus cleared of mines and any other obstacles to the free movement of the personnel of the International Commission and the Joint Commission shall be notified to the latter by the local military Commanders.

- (b) Any incidents that may arise between the forces of the two sides and may result from mistakes or misunderstandings shall be settled on the spot so as to restrict their scope.

- (c) During the days immediately preceding the cease-fire each party undertakes not to engage in any large-scale operation between the time when the Agreement on the cessation of hostilities is signed at Geneva and the time when the cease-fire comes into effect.
