

Peace and Security Competitions Fund

As noted in the main body of the Institute's Annual Report, a Peace and Security Competitions Fund was formally established by the Board of Directors at its meeting in March 1990. Earlier, an ad hoc committee had been set up by the Board with a mandate to study our grants practices and to deal with applications being received. Over the course of the entire year, contributions were made to 80 projects as follows:

RESPONSIVE CONTRIBUTIONS FOR RESEARCH 1989-1990
