

2. However, such interest may be taxed in the Contracting State in which it arises, and according to the law of that State; but the tax so charged shall, provided that the interest is taxable in the other Contracting State, not exceed:

- (a) in the case of Canada, 15 per cent of the gross amount of the interest; and
- (b) in the case of Sri Lanka, 15 per cent of the gross amount of interest paid in respect of any debt-claim, bond, debenture or other security arising from money received from abroad on or after the first day of January next following the date on which this Convention is signed.

3. Notwithstanding the provisions of paragraph 2,

- (a) interest arising in a Contracting State and paid in respect of a bond, debenture or other similar obligation of the government of that Contracting State or of a political subdivision or local authority thereof shall, provided that the interest is beneficially owned by a resident of the other Contracting State, be taxable only in that other State;
- (b) interest arising in Sri Lanka and paid to a resident of Canada shall be taxable only in Canada if it is paid in respect of a loan made, guaranteed or insured, or a credit extended, guaranteed or insured by the Export Development Corporation; and
- (c) interest arising in Canada and paid to a resident of Sri Lanka shall be taxable only in Sri Lanka if it is paid in respect of a loan made, guaranteed or insured, or a credit extended, guaranteed or insured by the Development Finance Corporation.

4. The term "interest" as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage, and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures, as well as income assimilated to income from money lent by the taxation law of the State in which the income arises. However, the term "interest" does not include income dealt with in Article 10.

5. The provisions of paragraph 2 shall not apply if the recipient of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises through a permanent establishment situated therein, or performs in that other State professional services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such a case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

6. Interest shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred, and that interest is borne by that permanent establishment or fixed base, then such interest shall be deemed to arise in the Contracting State in which the permanent establishment or fixed base is situated.
