Procedural Changes:

1. Ordered,—That rules and procedures in effect prior to dissolution on Apr. 23, 1968, shall be in effect for present session until House resumes sittings after Christmas recess with following exceptions: S.O. 15-A *re* Business Committee and allocation of time procedure, not to be in effect; modification of resolution adopted Apr. 26, 1967, relating to S.O.'s 56 and 57 *re* business of supply for 1968-69 to the effect that estimates for all departments shall be deemed entered for consideration on their referral to Committee of Supply, there shall be one supply motion, business of supply shall be limited to 17 days exclusive of final supplementaries, and the questions to dispose of all proceedings under this order shall be put without further amendment at the ordinary time of adjournment on the 17th day; and for the duration of the current session S.O. 65 shall be amended *re* change of Committee names and procedures, etc., 58-60.
2. Ordered,—That previous order be amended *re* deletion of provision for supply motion and extending overall limitation for business of supply from 17 to 19 days and that questions to dispose of all proceedings be put on the 19th day, 420.
3. Ordered,—That Standing Orders as amended on Dec. 20, 1968, be incorporated in *Journals*, 583.
4. Notice of Motion to amend Standing Orders of the House, called and point of order raised that the proposed motion was substantially the same as recommendations in the Third Report of the Procedure and Organization Committee, 1284. Mr. Speaker ruled the point of order not well taken, it not being against precedent to set down similar motions on the Order Paper, 1289-90. Notice of Motion transferred to Government Orders, 1290. Motion (Mr. Macdonald, Rosedale), that Standing Orders be amended by adding new Standing Orders 75-A, -B and -C: moved, and point of order raised that consideration of proposed motion would block consideration of motion for concurrence in Third Report of Procedure and Organization Committee, 1316. Mr. Speaker ruled the point of order not well taken as the anticipation rule would block whichever motion had not been moved, 1316-8. Debate on the main motion resumed, and point of order raised that the proposed motion raises a point already decided in this session; debate interrupted, 1318.
