

In CWA 34000 there is a small sign which reads: "The Canadian Association of Civil Engineers is a group of more than 5000 professional engineers in Canada who have joined together to promote the development of engineering in Canada".

WITNESSES—FIRMS

As far as I am concerned, the best way to do business is to do it with integrity and respect for others. I believe that if you treat people fairly and honestly, they will return the favor. This is the foundation of any successful business relationship.
