DOCUMENT TABLED

Hon. Cyrille Vaillancourt tabled:

Report on the Old Age Security Fund and of temporary loans made to the fund during the fiscal year ended March 31, 1964, pursuant to section 11 (4) of the Old Age Security Act, chapter 200, R.S.C., 1952. (English and French texts).

PRIVATE BILL

ASSOCIATION OF UNIVERSITIES AND COLLEGES OF CANADA—AUTHORITY TO PRINT COMMITTEE PROCEEDINGS

Hon. Salter A. Hayden, Chairman of the Standing Committee on Banking and Commerce, presented the following report of the committee on Bill S-36, to incorporate the Association of Universities and Colleges of Canada:

Your committee recommend that authority be granted for the printing of 800 copies in English and 300 copies in French of their proceedings on the said bill.

The Hon. the Speaker: Honourable senators, when shall this report be taken into consideration?

Hon. Mr. Hayden: I move, with leave of the Senate, that the report be adopted now.

Report adopted.

REPORT OF COMMITTEE ADOPTED

Hon. Mr. Hayden, Chairman of the Standing Committee on Banking and Commerce, reported that the committee had considered Bill S-36, to incorporate the Association of Universities and Colleges of Canada, and had directed that the bill be reported with the following amendment:

1. Page 2, line 32: after "body" insert "may become or".

The Hon. the Speaker: Honourable senators, when shall this report be taken into consideration?

Hon. Mr. Hayden: With leave, I move that the report be adopted now.

Honourable senators, a brief explanation of these additional words should be given to

you at this time. Clause 7 of the bill before us this morning contained a provision for enacting, amending or repealing by-laws for any and all purposes of the association and including, as it stated, the "terms and conditions upon which a corporation, organization or body shall cease to be a member." The committee felt that, by implication or inference, this would prevent the association from enacting by-laws on the basis of which people could become members. Therefore, we suggested it should read "terms and conditions upon which a corporation, organization or body may become or shall cease to be a member." The amendment would add the words "may become or".

Report adopted.

The Hon. the Speaker: Honourable senators, when shall this bill be read a third time?

Hon. Donald Cameron moved that the bill be placed on the Orders of the Day for third reading at the next sitting.

Motion agreed to.

DIVORCE

REPORTS OF COMMITTEE ADOPTED

The Senate proceeded to consideration of reports of the Standing Committee on Divorce Nos. 533 to 578, inclusive, which were presented yesterday.

Hon. Mr. Gershaw, for Hon. Mr. Roebuck, Chairman of the Standing Committee on Divorce, moved that the reports be adopted.

He said: Honourable senators, these are reports of the Commissioner on Divorce, before whom the petitioners, witnesses and lawyers appeared. It is the practice of the Commissioner to hear all the evidence in relation to each petition and to make a report. The report, accompanied by a summary of the evidence, is then submitted to the Divorce Committee.

The reports now before us for consideration have been recommended by the Commissioner. Each report also has been read by some member of the Divorce Committee, and examined and signed by the chairman.

Reports adopted, on division.
